The user department vide memo ref # DGMPS/1355051 dated 28-Jan-2021 (Flag-A) was informed regarding the disparity in the technical evaluation in between tender enquiry # SSGC/LP/PT/1355052 and the subject tender enquiry (SSGC/LP/PT/1355051), as in the tender evaluation report of SSGC/LP/PT/1355052 user department had advised visit factory of vendor premises to ascertain their production capacity, workmanship, quality system etc. for the same bidder M/s. Hi-Tech Pipe and Engineering Industries Pvt Ltd.

In response, user department vide memo ref # TE/PE/Pipe/1355051/21 dated 23-Feb-2021 (Flag-B) acknowledged that M/s. Hi-Tech Pipe and Engineering Industries Pvt Ltd has not recently participated in tender of Pipes and offering 1st time for PE-100 pipe. Further, advised that third party inspection firm and committee of SSGC officials may be nominated by Procurement department for inspection of factory premises of the new vendor. It was also stated that maximum 10% quantity of tender may be awarded to new vendor upon satisfactory factory visit report.

Procurement department vide memo ref # DGMPS/1355051-1 dated 01-Mar-2021 (Flag-C) apprised user department that after receipt of TOR third party inspection tender can be processed for factory visit of M/s. Hi-tech International and Engineering Industries Pvt Ltd and committee of SSGC officials to be nominated by user department. Further, a prudent approach was also proposed to user department to process trial order (10% of total quantity) on commercially lowest bidder i.e. M/s. Hi-Tech Pipe and Engineering Industries Pvt Ltd and processing remaining 90% quantity after acceptance of trial.

In response, the user department vide memo ref # GM I/TOR/PE Pipe/1355051/21 dated 08-Mar-2021 (Flag-D) submitted TOR for third party inspection tender and advised Procurement department to initiate Note to Management for nomination of committee to visit new participating manufacturer's factory visit comprising of HSE&QA, User department and Procurement Department. Further, it was also advised by the user department to deal commercial matter of 2nd lowest bidder at Procurement end.

Procurement department vide memo ref # DGMPS/1355051-2 dated 11-Mar-2021 (Flag-E) apprised user department that inspection tender for factory visit of new vendor is being processed as per TOR and it was advised to process nomination of committee members & process factory visit related matter at their end being a technical aspect and moreover, Procurement department has never been a part of it.

The user department vide memo ref # PE-Pipe/1355051-1380161 dated 16-Mar-2021 (Flag-F) submitted list of nominated executives for factory visit of M/s. Hi-Tech Pipe and Engineering Industries Pvt Ltd and advised Procurement department to nominate a representative for further proceedings.

In response, the user department was informed vide memo ref # DGMPS/1355051-13680161 dated 17-Mar-2021 (Flag-G) that factory visit to ascertain / witness vendor's workmanship, production capacity and quality system is purely of technical nature and may please be dealt at user's department end without the involvement of Procurement department as per practice.

After carrying out factory visit comprising of HSE and QA and user department representatives submitted Visit Report of vendor's premises (M/s. Hi-Tech Pipe and Engineering Industries Pvt Ltd) under cover memo ref # Visit Report/PE Pipe/1355051/21 dated 19-April-2021 (Flag-H) concluding their remarks that M/s. Hi-Tech Pipe and Engineering Industries Pvt Ltd does not meet SSGC standards and hence it is not recommended for Procurement of HDPE Pipe.
