Comments :

1610728 ^{most advantageous} ~~lowest evaluated~~ bidder M/s. Bashire Pipe Industries Pvt. Ltd is technically & commercially compliant.

Comparison with last price:

The price of ^{most advantageous} ~~lowest evaluated~~ bidder is 14.07% higher than the last price against tender enquiry # SSGC/LP/PT/1397216 (opened on 29-03-2021) which is mainly due to increase in raw material (HR Coil) price which is raised by 22.32% i.e. from USD 755/ton (rate on opening of previous tender enquiry) to USD 923.5/ton against subject tender enquiry (Flag-B).

In addition, currency exchange rate has increased by 10.70% i.e. from PKR 155.10(exchange rate on opening date of previous tender enquiry) in March 2021 to PKR 171.70 against the subject tender enquiry (F/C).

Furthermore, it may also be noted that the previously successful bidder M/s. M/s. BBJ Pipe Industries Limited quoted Rs.453.19/meter in the current tender which is 17.69% higher than the previous quoted price which was Rs.385.06/meter (refer PO # 15/DKK/27192) and also 3.17% higher than the lowest quoted bidder against the subject tender enquiry. This demonstrates bid prices quoted by the prospective bidders are competitive & market based.

On the account of above, the price escalation is due to increase in rupee-dollar parity, inflation, cost of raw material and related overheads.
