Çankaya, Ankara-Turkey
- **RANKING OF SUCCESSFUL BIDDER IN EVALUATION REPORT:-** 1<sup>st</sup> Ranked
- **NEED ANALYSIS (Why the procurement was necessary?)**

The key objectives of the assignment is to (a) review the overall agriculture development and irrigation management plan; (b) climate change impact evaluation and the hydrology review which could have impact on the reservoir and spillway sizing and changes of the model of command area development approaches; and (c) review and update the existing DED. The DED update shall be based on (a) all the technical aspects using international best practices for the design of high dams and hydropower plants including respective electromechanical equipment and power evacuation substation and transmission lines following the International Commission on Large Dams (ICOLD) guidelines; (b) design of new, upgraded, and remodeled irrigation system with improved technologies and practices in command area development; and (c) design of all other Project allied facilities. The survey and investigation data shall meet the DED requirements to calculate all the quantities with maximum accuracy as per site conditions to prepare the Bill of Quantities for the bidding documents for works contracts. FIDIC's red book or similar contract as appropriate shall be used. ADB standard bid document for supply of goods and goods/equipment may be used. The decision for type of contract to be used shall be decided based on the procurement strategy that shall be developed as part of scope of PRF. The Updated DED shall cover sufficient details required for the preparation of drawings and technical specifications to prepare comprehensive bidding documents. In addition, the assignment will facilitate (i) preparation of strategic procurement planning to develop a procurement plan for the ensuing Project; (ii) Project approval; (iii) enhance procurement readiness; (iv) carrying out Procurement process for Project Works (v) compliances with environmental and social safeguards; and (vi) ensure Project remains technically, economically, financially, institutionally relevant, viable and sustainable after the updated DED. Experience and lessons learned from implementation of other Projects of WAPDA will be drawn and incorporated in the detailed design.

- **IN CASE EXTENSION WAS MADE IN RESPONSE TIME, WHAT WERE THE REASONS**

Dated: 29/12/2022

**Subject: REQUEST FOR PROPOSALS (RFP) FOR CONSULTING SERVICES FOR REVIEW AND UPDATE OF DETAILED DESIGN, PREPARATION OF PROCUREMENT DOCUMENTS, AND UPDATE OF SAFEGUARD DOCUMENTS FOR NAULONG INTEGRATED WATER RESOURCES DEVELOPMENT PROJECT, JHAL MAGSI, BALOCHISTAN, PAKISTAN (Consulting Package No: CS-01)**

Dear Mr./Ms.

1. The Islamic Republic of Pakistan (hereinafter called Borrower) has applied for financing from the Asian Development Bank in the form of a loan toward the cost of Project Readiness Financing for Naulong Integrated Water Resources Development Project.

The Pakistan Water and Power Development Authority, an executing agency of the Borrower (hereinafter called Client) intends to apply a portion of the proceeds of this loan to eligible payments under the contract for which this Request for Proposals is issued.

Payments by the Bank will be made only at the request of the Client and upon approval by the Bank, and will be subject, in all respects, to the terms and conditions of the loan agreement. The loan agreement prohibits a withdrawal from the loan account for the purpose of any payment to persons or entities, or for any import of goods, if such payment or import, to the knowledge of the Bank, is prohibited by a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations<sup>1</sup>. No party other than the Borrower shall derive any rights from the loan agreement or have any claims to the proceeds of the loan.

2. The Client now invites proposals to provide the following consulting services (hereinafter called "Services"): "Review and Update of Detailed Design, Preparation of Procurement Documents, and Update of Safeguard Documents for Naulong Integrated Water Resources Development Project, Jhal Magsi, Balochistan, Pakistan Project CS-01". More details on the Services are provided in the Terms of Reference (Section 7).

3. This Request for Proposals (RFP) has been addressed to the following Shortlisted Consultants:

Sr. No	Name of Consultant	Country of Incorporation	Type of Association
1.	National Engineering Services Pakistan (Pvt.) Limited	Pakistan	Lead Firm
