Agenda Item 7
Award of Works for Re-molding and Improvement of Golra Mor with underpass at KM 1547+725 on N-5 (Contract No. RH-2016-17-PN-01).

Proposal

10.1. The Executive Board was requested to approve the award of Contract No. RH-2016-17-PN-01 for Re-modeling & Improvement of Golra Mor with Underpass at KM: 1547+725 on N-5 to the lowest evaluated bidder M/s Techno Time Construction (Pvt) Ltd. at evaluated bid price of Rs.717,644,909.00, which is (+) 12.66% above the Engineer's Estimate of Rs.637,000,629.00.

Deliberation

10.2. The GM (Punjab North) introduced the proposal contained in the working paper. He informed the Board about the details of the case as under:

- a. Golra Mor underpass is located at the crossing point of GT. Road (N-5) at KM 1547+725 with local CDA road between Golra and Haji Camp in a congested area of Rawalpindi. The intersection at this location is prone to many fatal accidents. To avoid such accidents, it is required to convert the existing at grade interchange to the one which is grade-separated.
- b. An Engineer's Estimate amounting to Rs.522.87 million for remodeling & improvement of Golra Mor with underpass at said location was approved by NHA Executive Board in AMP 2016-17. P&CA Section NHA HQs initiated the procurement process in January- 2017. However, simultaneously Islamabad Metro Bus Service project commenced on other side of Golra More intersection. To avoid disruption in flow of traffic, procurement process was suspended till construction of Golra Mor underpass as part of Metro Bus Project. After construction of Golra Mor underpass, procurement process was reinitiated.

c. However, second time procurement process was stopped in February, 2018 with the reason that X Corps Office of Pakistan Army has plan for uplifting and improvement of Rawalpindi Urban Area. In June, 2020 M/s FWO informed that NHA may proceed with construction of underpass at GT Road on Golra Mor as there is no binding from FWO. After clearance from M/s FWO, M/s (CEACON) Consultant firm was submitted revised Engineer's Estimate with revised design in accordance with current site condition amounting to Rs.637.00 million, which was approved by NHA Executive Board in its 348th meeting dated February 04, 2021.

d. As a result of amendments in Tender Opening & Evaluation and Tender Acceptance Committee with revised monetary limits for RMA works at Zonal/Regional level approved by NHA Executive Board in its 352nd meeting held on April 09, 2021, procurement record of subject contract was taken over from P&CA Section NHA HQ by the office of Director (Coord) Central Zone NHA, Lahore for further processing/procurement.

10.3. Technical Bids Evaluation. Technical bids of the participated firms were opened on schedule date i.e. August 12, 2021. Technical Bids of all the bidders were evaluated in accordance with the approved qualification criteria by Tender Opening & Evaluation Committee.
