- NEED ANALYSIS (Why the procurement was necessary?)
Currently, Stimulation Department owns 02 Nos. NPUs; One NPU is very old and was purchased in 1987 from M/S Dyer Ltd. (Canada). The Unit is still in operative condition but it requires high maintenance. Moreover; spares availability of this unit is also a big issue owing to the spares are obsolete. Another NPU was purchased, in 2008 from M/S NOV Dreco and has given us an impeccable service to all over OGDCL Plants and Fields. Owing to excessive work load and extensive unit mobilization; Stimulation Department is in dire need of a new NPU to take up jobs simultaneously and more effectively by deputing one unit for South and the other in North region.
