- NEED ANALYSIS (Why the procurement was necessary?)

The residential area of CAA colony having area of 14.80 Acres, which is situated along main approach road towards Faisalabad Airport. 28 Nos different types of quarters, officer Mess and rest house where high ups live during visit, are present in colony. The boundary wall is present in front of CAA colony, and it was constructed in 2016, for safe guard residents of CAA colony, and on back side where only deteriorated cattle fence is available and is a security hazard. The back side area is of cultivation land towards Chanchal wala village and terrorists can attack any time from this side, a sensitive building i.e EVHF / EUHF is also present in CAA colony which is facilitating air traffic. Furthermore present security condition of the country also demands better security arrangements in residential area to avoid any untoward situation / incident. keeping in view above said facts construction of boundary wall at back side of CAA colony is essentially required. Hence this estimate is prepared for for construction of above said facility.
