After the approval of worthy Secretary (NHS,R&C), an advertisement was published on 13-12-2020 in the daily newspapers English and URDU as well as on PPRA website for procurement of EPI vaccines, syringes and safety boxes. The bids were received on 07-01-2021 and opened on the same day by Federal Procurement Committee. Later on meeting of Technical Evaluation Committee (TEC) was conducted on 13-01-2021 which evaluated the bids submitted by various bidders. The bids of technically qualified bidders were opened on 02-02-2021 by Federal Procurement Committee in presence of all bidders. It is also mentionable that BCG, Td, Measles and DS 2ml DS 5ml have been found non-responsive by the Technical Evaluation committee on 13-01-2021. After approval of worthy/PAO, the case was approached to get cost estimates for procurement of BCG, Tetanus Diphtheria (Td), Measles vaccines and syringes. UNICEF, Pakistan has communicated the cost estimates against the above stated supplies that has accorded approval of worthy Secretary/PAO and further taken up with Ministry of Finance for their concurrence to make advance payment to UNICEF. It is highlighted that Govt of Pakistan has already accorded exemption under Section 21 of PPRA Ordinance, 2002, for procurement of EPI vaccines from single source procurement through UNICEF. Hence proposed procurement is covered under PPRA Rules, 2004. (Copy attached).
