- NEED ANALYSIS (Why the procurement was necessary?)  
Currently, 05 No. seismic parties are working in different areas of Pakistan. The geophone groups are used in seismic field parties to acquire seismic data and are laid in field area to pick seismic signals. These are frequently shifted from one place to another by vehicle or labor during operation and become damage.  
Seismic Parties are demanding for geophone groups and spares to meet their 2D and 3D field operational requirements.
