In pursuant to the advertisement published on **27-11-2021** in dailies Urdu the Express, the Meezan, the Quetta and dailies English, the Dawn and the National Herald Tribune as well as uploaded on Public Procurement Regulatory Authority's (PPRA's) website, required under Rule-12 of PPRA Rules, 2004 for Invitation for Bids/tender Notice for procurement of the supply of Vaccines, syringes and safety boxes. The meeting of Federal Procurement Committee has been scheduled on **14-12-2021** for opening of bids. But rates against vaccines have not been quoted by any bidder due to non provision of rates and supply schedule by the manufacturer/country of origin. Thus Federal Procurement Committee recommended to extend the bid required under Rule-27 of PPRA Rules, 2004.

Henceforth, the bid opening date was extended upto **20-01-2022** with the approval of Competent Authority i.e. Secretary, M/O NHR &C. A corrigendum to this effect has been issued as per Rule-27 of PPRA Rules, 2004. The bids were opened on **20-01-2022** (Thursday) at 12:00 noon (as per schedule given in the advertisement/corrigendum)

The detail of responsive and non-responsive bidders is tabulated as under:

Vaccine Name	S. #	Name of Bidders	Responsive	Non-responsive
Bivalent Oral Polio Vaccine (bOPV)	NIL. None of the bidder has submitted their bids against bOPV.			
Td vaccine for adults, adsorbed vial of 20 doses	1.	M/s Sind Medical Stores, Karachi.	-	Non-Responsive
Measles and Rubella (MR), vial of 10 doses	NIL. None of the bidder has submitted their bids against MR.			
Pentavalent (DPT-HepB-Hib)	NIL. None of the bidder has submitted their bids against Pentavalent vaccine.			

There is no response from local suppliers/bidders to supply bOPV, Td, Measles and Rubella (MR) and Pentavalent vaccines. Therefore, the Federal Procurement Committee recommends to adopt alternative way for procurement of bOPV, Td, MR, and Pentavalent vaccines. Procurement through UNICEF in exercise of exemption granted by Federal Cabinet under section 21 of PPRA Ordinance 2002 is an alternative way.

Moreover, it is highlighted that Govt of Pakistan has already accorded exemption under Section 21 of PPRA Ordinance, 2002, for procurement of FDI vaccines from single source procurement through UNICEF. Hence proposed procurement is covered under PPRA Rules, 2004. (Copy attached).
