- TITLE OF CONTRACT **DEMOLITION OF PILOT PIER AT MANORA.**
- TENDER NUMBER **TS504378E Dated 14-03-2023**
- BRIEF DESCRIPTION OF CONTRACT: The Pilot Pier at Manora was constructed over 40 years ago and life of structure at shore line, as assessed by the Expert Consultant Civil Engineers, will normally be 25-30 years. The Pilot Pier is in extreme dilapidated condition and is beyond economical repair due to weather condition viz. severe spalling of concrete/exposure of reinforcement, which can be seen by naked eye, has further deteriorated the strength of the structural components of Piers significantly. It is essential to point out here that extensive repair to Pilot Pier was carried out in 2003, but considering the present state of pier, further maintenance to structure would be loss of funds as the old concrete would not be compatible with new concrete and resultantly its required results could not be achieved.
