- NEED ANALYSIS (Why the procurement was necessary?) **The said Diesel Generators were purchased in 2009, 2014 & 2016 and were installed at 222 Sites/National Savings Centers (NSCs) of CDNS across Pakistan which were under warranty of three years from the date of purchase. The warranty period of three years of all Generators has been expired. All Generators are installed at Automated NSCs where core business application is running and warranty period of all Generators has been expired and no any mechanism/ SLA is defined at CDNS / RDNS level to look after the Generators. Generators are power backup of NSC in case of electricity failure/ load shedding etc. which causes stoppage of business at Automated NSCs. Availability of operational generators without any down time is essential and critical for online operations**
