

**CORRIGENDUM**  
**NATIONAL FERTILIZER MARKETING LIMITED,**  
**INVITES**  
**REQUEST FOR EXPRESSION OF INTEREST**  
**CONSULTING SERVICES-INDIVIDUAL CONSULTANT**

NFML original Expression of Interest (EOI) invitation notice published in Daily Express and Daily Dawn dated 18<sup>th</sup> May, 2025, treated as “**CANCELLED**”.

National Fertilizer Marketing Limited was established in 1976 as a subsidiary of NFC working under administrative control of Ministry of Industries & Production. The Government of Pakistan (GOP) Promulgated fertilizer policies in 1989 and 2001. Those policies incentivized private investment in fertilizer production (nitrogenous fertilizer, largely urea) in the country. Over the years, the economic, technical and market circumstances have significantly changed both globally as well in the domestic market. These policies were largely urea centric and not comprehensive enough to cover all aspects of fertilizer production, marketing and balanced use MP intends to adopt a new national fertilizer policy which fill these gaps and provides fair incentives to all investors along the production and marketing value changes as well as insure availability and supply of fertilizer to farmers at fair prices and without any undue delay to take care of crops requirement timely. The new fertilizer policy will have a medium (2030) as well as a long term (2035) perspective. In view of above, Ministry of Industries & Production through NFML would like to engage a reputable and experienced consultant in line with rule 36(b) “Single Stage Two Envelop Procedure” of the Public Procurement Rule 2004, through federal PPRA e-PADS web portal <http://eprocure.gov.pk> before closing date & time. The new policy will be drafted over four months after mobilization of the consultant. Each consultant must have following expertise: -

| S.# | Assignment Title   | Qualification, Experience & Skills  |
|-----|--|---|
| 1.  | Fertilizer industry specialist and team leader (03 person-months, intermittent). | The specialist should have a degree in engineering, agricultural science, economics, and/or business and, at least, 20 years of fertilizer industry experience, preferably in multiple countries.   |
| 2.  | Fertilizer marketing specialist (person-months, intermittent).                   | The specialist should have a degree in economics, business, and/or marketing and, at least, 10 years of experience in fertilizer marketing in Pakistan and preferably elsewhere in the world.   |
| 3.  | Agronomist or soil scientist (person-months, intermittent).                      | The specialist should have at least a Master’s degree in one of these disciplines and at least 15 years of experience in balanced use of fertilizers at agricultural R&D institute(s) and in farm fields. The specialist should demonstrate experience through published reports and refereed journal articles. |

The detailed TORs/information are available at NFML website which can be downloaded from [www.nfml.com.pk](http://www.nfml.com.pk). Interested candidates should submit the Expression of Interest/bids with Curriculum Vitae (CV) copies of Educational Degree, Certificates, Experience Certificate and CNIC through federal PPRA e-PADS web portal <http://eprocure.gov.pk> before closing date & time i.e. **12<sup>th</sup> June, 2025 11:00 AM** and opened on the same day at **11:30 A. M.**

National Fertilizer Marketing Limited may reject all bids or proposals at any time prior to the acceptance of a bid or proposal in accordance to clause 33(1) of PPRA Rules-2004.
