REQUEST FOR PROPOSAL (RFP)

**HIRING OF CONSULTING FIRM/INSTITUTE/CORPORATE ENTITY FOR DEVELOPMENT OF A REGULATORY
FRAMEWORK FOR ENERGY SERVICE COMPANIES (ESCOS) IN PAKISTAN**

National Energy Efficiency & Conservation Authority (NEECA) is sole federal authority for initiating, catalyzing, carrying out and coordinating the implementation of all energy conservation programs in all sectors of economy.

National Energy Efficiency and Conservation Authority (NEECA), seeks to establish a robust regulatory framework to enable and sustain the ESCO market. This initiative aims to foster private sector participation, mobilize financial resources, and build the technical capacity required to meet Pakistan's energy efficiency goals.

To facilitate this essential process, NEECA is seeking the services of a qualified consulting firm/institution/corporate entity for developing comprehensive ESCO regulatory framework for Pakistan.

Experience

The ideal firm/institute/corporate entity must have a team of qualified professionals, including energy sector experts, regulatory specialists, legal advisors, financial analysts, policy experts, and technical consultants with expertise in energy efficiency, conservation, and development of business models. The ideal firm/institute/corporate entity must be a well-established and reputable entity having 10 years of experience with a minimum of five (05) years of proven experience in developing regulatory frameworks, policies, or guidelines for the energy sector. Firms with extensive experience at both national and international levels will be given preference.
