

INVITATION FOR PRE-QUALIFICATION

The Pakistan Water & Power Development Authority (WAPDA), the Project Executing Authority (PEA) through the Government of the Gilgit – Baltistan Province of the Islamic Republic of Pakistan has received a loan from the KfW Development Bank of Germany, with co-financing from the Agence Française de Développement (AFD) of France, towards the cost for construction of the **34.5 MW Harpo Hydropower Project in Gilgit-Baltistan**, and intends to apply part of the proceeds of this loan to make payments under the contract for execution of the Electrical & Hydro-mechanical Equipment Works, Contract No. HHPP-03 (KfW procurement no. 508187).

The Pakistan Water & Power Development Authority (WAPDA) intends to pre-qualify contractors and / or firms for the following electrical and hydro-mechanical equipment works:

- Procurement / design, manufacture, supply, installation, testing and commissioning of two (2) vertical shaft hydropower generating units of 17,25 MW capacity each, and consisting of a Pelton-type hydraulic turbine with digital and hydraulic governor, a spherical type main inlet valve, a 3-phase synchronous type hydro generator, a 11kV/132kV main / unit step-up transformer, and all pertinent electrical and mechanical auxiliary equipment components and systems;
- Procurement / design, manufacture, supply, installation, testing and commissioning of one (1) powerhouse main overhead crane with main and auxiliary hook of 50 t / 5 t lifting capacity;
- Procurement / design, manufacture, supply, installation, testing and commissioning of common auxiliary mechanical equipment systems;
- Procurement / design, manufacture, supply, installation, testing and commissioning of one (1) powerhouse elevator;
- Procurement / design, manufacture, supply, installation, testing and commissioning of GIS-type generator voltage switchgear equipment of 132kV rating;
- Procurement / design, manufacture, supply, installation, testing and commissioning of common auxiliary electrical equipment systems;

The construction period of the Project is scheduled to be four (4) years and is foreseen to start in December 2022.

Prequalification will be conducted through prequalification procedures of International Competitive Bidding (ICB) specified in the procurement guidelines of the Project Donor, KfW Development Bank of Germany and of the Project Executing Authority (WAPDA), and is open to all Applicants as specified in these pre-qualification document and the applicable procurement guidelines (https://www.kfw-entwicklungsbank.de/PDF/Download-Center/PDF-Dokumente-Richtlinien/Vergaberichtlinien-2019-Englisch-Internet_2.pdf).

Interested eligible Applicants may contact in writing the Water and Power Development Authority (address below) within working hours from (08:00 to 16:00) Monday to Friday up to **31st August 2022**, for clarifications and / or further information.

For prequalification purposes, the Applicants, besides other criteria, will have to meet the following minimum requirements:

1. Capacity to have a minimum cash flow amount equivalent to Euro four (€ 4) million, with an average annual construction turnover equivalent to Euro fifteen (€ 15) million within the last five (5) years;
2. General construction experience of the Applicant and of all JV partners in case of JV for at least ten (10) years, starting 1st January 2012;
3. Specific construction experience of the Applicant and of the JV partners in case of JV, of at least two (2) contracts each with a value of at least Euro twenty (€ 20) million, similar in nature to the proposed e & m equipment works, of which one (1) contract shall have been satisfactorily and substantially completed outside of the Applicant's home country.
4. International ESHS Certification and capacity for implementation of Environmental and Social and Health & Safety Management Aspects related to Projects of significant ESHS Impact. Valid ISO certification (ISO 9001, ISO 14001:2014 and OSHAS 18001/ISO 45001) or internationally recognized equivalent.

A complete set of the prequalification documents in English language may be purchased by interested Applicants on the submission of a written application to the address below and upon payment of a non-refundable fee of **Pak Rs. 10,000/-** (Pakistani Rupee: ten thousand only).

The method of payment will be by pay order / demand draft / banker's cheque / online transfer in the name of Project Director Harpo HPP WAPDA Skardu (IBAN: PK52 MPBL 0260 2171 4012 1114).

The request must clearly state "**Request for Prequalification Document for Harpo Hydropower Project – Contract No. HHPP-03: Electrical & Hydro-mechanical Equipment Works (KfW procurement no. 508187)**".

The documents will be sent by registered airmail or by courier service, or the documents may be collected by an authorised representative of the Applicant, but under no circumstances will the PEA (WAPDA) be held responsible for late delivery or loss of the documents so mailed / delivered.

Applications for pre-qualification should be prepared in English language and submitted in sealed envelopes, as further explained in the Pre-qualification Document, which must be either delivered by hand, by air mail or by courier service to the address below not later than **15th September 2022, 10:00 hours PST** and be clearly marked "**Application for Pre-qualification for Harpo Hydropower Project – Contract No. HHPP 03: Electrical & Hydro-mechanical Equipment Works (KfW procurement no. 508187)**".

Address for Applications to Pre-qualify:
