 4. For evaluation of solution functional requirements mentioned in Annexure-III Technical Requirement Document, NBP may request bidders to demonstrate their proposed software to NBP during evaluation stage, at no extra cost to NBP, if required. If any bidder failed to demonstrate its respective solution, its bid will be considered as technically disqualified / rejected / non-responsive. If reference document is found then NBP ask clarification from the bidder about its response, however if reference document will also not found or provided then response of bidder shall be considered as ‘No’ and its bid will be considered as rejected if the requirement item is high priority.
