The procuring agency shall upon request communicate to any supplier or contractor who submit a bid or proposal, the grounds for its rejection of all bids or proposals, but is not required to justify those grounds. The procuring agency may reject all bids or proposals at any time prior to the acceptance of a bid or proposal.
 - k) A certificate mentioning name of countries where vaccine is supplied by the manufacturers would be provided by supplier.
 - i. Meningococcal (Meningitis ACWY - 135), vaccine alongwith auto disable syringes / prefilled syringes.
 - ii. Quadrivalent / Tetravalent Seasonal Influenza Vaccine

10. Details of Bid (s) evaluation:

Name of Bidder	Items	Evaluated Cost	Rule / Regulation / SBD* / Policy / Basis for Rejection / Acceptance as per Rule 35 of PPRA's Rules, 2004
M/s Pfizer Pakistan Limited, Karachi	Meningococcal (Meningitis ACYW-135), Vaccine along with auto disable syringes / prefilled syringes.	Rs.4,376/- per dose	Since the bidder's specs correspond with the Ministry's specs, therefore, the bid is accepted technically sound. However, being on higher side in price as compared to M/s Lab Diagnostic System the Financial Committee rejected the Financial Bid by M/s Pfizer Pakistan Limited, Karachi.
M/S. Lab Diagnostic System	Meningococcal (Meningitis ACYW-135), Vaccine along with auto disable syringes / prefilled syringes.	Rs.2,476/- per dose	Since the bidder's specs correspond with the Ministry's specs, therefore, the bid is accepted technically sound as well as the Financial Committee accepted the Financial Bid being the lowest. Hence, the Purchase Committee recommended the Bid by M/s Lab Diagnostic System as most advantageous / the lowest under PPRA's Rules-2004.
M/S. Lab Diagnostic System	Quadrivalent / Tetravalent Seasonal Influenza Vaccine, single dose, along with auto disable syringes / prefilled syringes.	Rs.2,623/- per dose	Though the bidder's specs correspond with the Ministry's specs, and the bid is accepted technically sound. However, the price of Flu Vaccine quoted by M/s Lab Diagnostic System is over & above the maximum MRP approved by DRAP for Flu Vaccine (Teratect) and its procurement is against the PPRA's Rule-2004 with this high price, so the bid is rejected on the basis of high quoted price.
