 Director (Technology)  
 8/4/22

- 13.1. The opening and examination of bids is for the purpose of checking whether the bids are complete, whether the requisite bid security have been furnished, whether the required documents have been properly included and whether the bids are generally in order. The opening of tender is **public** (Bidder's presence or his representative on the day of opening the bid is mandatory) and will be carried out by the bid opening and evaluation committee already notified by the procuring agency.
- 13.2. The bids will be opened on the date & time as given in clause 1-(b).
- 13.3. After the opening of the bids, no information relating to the examination, clarification, evaluation and comparison of bids, or recommendations concerning the award of the contract can be disclosed until the time of the announcement of the respective evaluation reports in accordance with the requirements of rule 35 of PPR 2004..
- 13.4. Any attempt by a tenderer to influence the evaluation committee in the process of examination, clarification, evaluation, and comparison of bids, to obtain information on how the procedure is progressing or to influence the procuring agency in its decision concerning the award of the contract will result in the immediate rejection of its bid.
- 13.5. No bids shall be accepted received after the deadline for submission specified in the clause 1-(b).

#### 14. Evaluation of Tenders

##### 14.1. Examination of the mandatory requirements of bids

The aim at this stage is to check that bids comply with the essential requirements of the RFP. A bid is deemed to comply if it satisfies all the conditions, procedures and specifications in the RFP. If a tender does not comply with the bid, it will be rejected immediately and may not subsequently be made to comply by correcting it.

#### Mandatory Requirements:

S No	Requirement	Document to be provided with Technical Proposal
1.	Bid is registered with registered with Income Tax and Sales Tax Department.	Valid certificates of registration with Income Tax and Sales Tax Department.
2.	The bidder must be a legal entity duly registered under the applicable laws of Pakistan.	Certificate of Registration / Incorporation
3.	Bid must be accompanied with a Bid Security as specified in this RFP document. No bid will be accepted without bid security.	As per RFP document.
4.	Bid must be on original letter head/ pad of the Bidder.	As per RFP document.
5.	Bid prepared and submitted in accordance with RFP document.	A confirmation to the effect on bidder's letter duly signed by authorized person must attach with Technical Proposal.

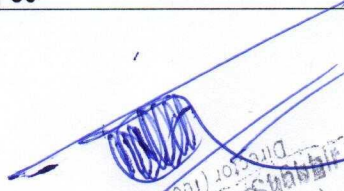

**Note:** All bidders are required to fulfill the mandatory requirements to qualify for Technical Evaluation.
