

Security Alert: Beware of Unauthorized Emails

To Our Valued Users,

We've been made aware of recent unauthorized communication through emails from gmail and external domains like mdppraa@gmail.com. These emails may mimic official communication and aim to deceive recipients into divulging personal information or downloading harmful software.

The Public Procurement Regulatory Authority (PPRA) disowns above mentioned email IDs. Any communication received vide said email IDs may not be considered as official communication by this Authority. The communication through PPRA official domain i.e. ppra.org.pk shall be considered as official.

Your security is our top priority. We are continuously working to enhance our security measures and educate our community on safe online practices. If you have any questions or need further assistance, please contact on our official email ID at info@ppra.org.pk .
