30. SECRECY

The Purchaser and the Contractor undertake and agree to exercise their best efforts to prevent any unauthorized person(s) from gaining access to drawing offices or workshops or other premises where the supplies are being designed, manufactured, constructed, stored and/or outfitted.

As the Contractor and its Sub-Contractor(s) are the exclusive owners of the intellectual property rights/ copy rights and industrial rights of any and all contractual designs, data, software, TDP, drawings etc., and since they possess all relevant rights therein, the Purchaser and the Contractor undertake and agree to prevent such designs, data, software, drawings, TDP, etc. as well as copies thereof from falling into the hands of representatives of any other foreign power or competitor of the Contractor or its Sub-Contractor(s) and Purchaser or any other unauthorized Party or person.

The above provisions shall, however, not be construed as any restriction whatsoever of the Purchaser's/ Shipyard's application and use of such drawings and TDP for any purpose in accordance with this Contract.

The secrecy obligations above are supplementary to those contained in any agreement between the Pakistan Navy on behalf of the Purchaser, whereby the obligations pursuant to above shall be subject to the Pakistan law regarding the custody and protection of classified matter.

It is the Contractor's responsibility to ensure that all such information is protected in accordance with the protective markings assigned by the Purchaser. If in any case this become essential with regards to this Contract to disclose the information classified as Confidential or above to Sub-Contractors (OEMs), approval must be sought from the Contractor.

The Contractor undertakes to prevent any unauthorized visits to the platform(s) being constructed/ upgraded, and/or systems/equipment being manufactured/ developed for the Purchaser to ensure confidentiality of the information concerning this project. No unauthorized Party or person may be allowed onboard during its construction/ upgrade and qualification tests.

The terms of this Contract are 'CONFIDENTIAL' and each Party agrees not to disclose them to any Third Party except as may be necessary for the performance of this Contract which includes its professional advisors and as else may be required.

The Contractor undertakes that any information about the sale/purchase of the goods/stores under this contract shall not be communicated to any person/organization/agency, other than the manufacturer of the stores/ equipment/ material, or to any press or agency not authorized by the Purchaser to receive it. Any breach on this account will be punishable under Official Secrets Act-1923 of Pakistan and may lead to legal action against the Contractor in addition to termination of the contract at the risk and expense of the Contractor.
