IT SPECIFICATIONS - REPLACEMENT OF SEALED MAINTENANCE FREE BATTERIES: PMSS KASHMIR

1.	Parent Equipment	Sealed Maintenance Free Batteries
2.	Sub Equipment	Batteries
3.	Assembly Component	Misc
_ 4	Make	SHANGHAI QIANGNENG BATTERY CO.
_5.	Model	6-GFM-200M (12V 200 A/H)
6.	Quantity	08
7.	Justification i.e PMS/ Failure/ FWT etc	FWT
8.	Work Required/ Defect	Replacement of 08 x Maintenance Free Sealed Batteries
9.	Detailed scope of work	 (i) Replacement of 08 x Maintenance Free Batteries (ii) Installation, STW and Trials
10	Technical specs	Make Shanghai Qiangneng Battery CO. Model 6-GFM-200M
		Dimension174x110x365Self-Discharge0.8 % / d
		Rate Floating Charge 2.25 V/ Cell Voltage
11.	Eligibility Criteria	 (i) Company must be certified with HQ PMSA (ii) Company must be Income and Sales tax registered
<u>12.</u>	EDC/ EDD	15 Days after award of contract
13.	Warranty	1 Year
14.	Acceptance Criteria	Item will be accepted after onboard inspection, installation on charging/ discharging panel and satisfactory trials on back supplies
15.	Any Other Relevant Information	SS contact (0321-3000503)

IT SPECIFICATIONS – REQUIREMENT OF 12 X CHERRY FENDER (TUFF ENDED ROUND INFLATABLE FENDER) FOR PMSS NAZIM/ FRBs

1.	Parent Equipment	Fast Response Boats (FRBs)
2	Sub Equipment	Cherry Fender (Tuff ended round inflatable fender)
3.	Assembly Component	N/A
4.	Make	Safe Boat International (USA)
5.	Model	2010
6.	Qty	12 in number
7	Justification i.e PMS/ Failure/ FWT etc	Nil
8.	Work Required/ Defect	Nil
9	Detailed scope of work	Critical Requirement of 12 x Cherry fender (Tuff ended round inflatable fender)
10.	Technical Spec	 a. Diameter x Circumference: 15 x 47 Inch b. Buoyancy : 65 Lbs c. Line-Hole Diameter : 1-1/2
11.	Eligibility Criteria	a. Any local registered firm with good reputation
12	EDC	Max 01 x month from the date of contract
13.	Warranty	01 Year
14.	Acceptance Criteria	Inspection by end user
15.	Any other relevant information	Nil

IT SPECIFICATIONS – REQUIREMENT OF 12 X BANANA FENDER (TWIN EYE BOAT FENDER) FOR PMSS NAZIM/ FRBs

16.	Parent Equipment	Fast Response Boats (FRBs)
17.	Sub Equipment	Banana Fender (Twin Eye Boat Fender)
1,8.	Assembly Component	-
19.	Make	Safe Boat International USA
20	Model	2010
21.	Qty	12 in number
22.	Justification i.e PMS/	Nil
	Failure/ FWT etc	
23	Work Required/ Defect	Nil
24.	Detailed scope of work	Requirement of 12 x Banana Fenders (Twin Eye Boat
		Fender) for FRBs
25	Technical Spec	a. Length : 36 Inch
		b. Diameter : 30 Inch
		c. Weight : Approx.10 Kg
26	Eligibility Criteria	b. Any local registered firm with good reputation
27.	EDC	Max 01 x month from the date of contract
28.	Warranty	01 Year
29	Acceptance Criteria	Inspection by end user
30.	Any other relevant information	Nil

IT SPECIFICATION FOR REPAIR/ REPLACEMENT OF SYNCHRONIZING UNIT OF SSDGs - PMSS REHMAT

S No	Specification	Remarks
1.	Parent Equipment	Power Generation and Distribution
2.	Sub Equipment	Switchboard
3.	Assembly Components	Synchro scope unit and load shedding module in parallel
4	Make	N/A
5.	Model	N/A
6.	Quantity	01
7.	Justification i.e PMS/ Failure/ FWT etc	Synchro scope unit in parallel is observed defective due to FWT/ old vintage
8.	Work required/ Defect	Synchro scope unit in parallel is required to be repaired/ replaced for SAT ops
9.	Technical	a. 380VAC Main supply
	Specification	b. 50Hz
		c. 3 Phase
		d. 220V-240VAC
		e. 24VDC control supply
10.	Detailed scope of work	Following work is required to be undertaken for repair/ replacement of synchro scope unit for operating SSDGs in parallel:
	:	a. Synchro scope unit/ method is to be repaired/ replaced for SAT ops.
		b. 03 x mechanical governors of SSDGs to be replaced with electronic control governors for operation in
		synchronizing method. c. Parallel system for frequency and voltage meters to
		be ensured. d. Synchronizing AVR card to be replaced.
		e. Load shedding module and auto synchronizing to be
		replaced for safe operation of SSDGs. f. Control cable and wiring to be renewed or replaced.
		g. Repair/ maintenance of 3 Phase bus bar for phase sequence to be carried out.
		 h. Voltage magnitude for operating of SSDGs in parallel to be ensured.
		j. Frequency of putting on load SSDGs must match with bus bar frequency to be ensured.
		k. The firm should arrange spares, tools, accessories etc
		required for the said repair / maintenance work.
		I. Requirement of external services will be responsibility
		of the firm.
11.	Eligibility Criteria	a. The firm must visit onboard and carry out diagnosis/
		inspections to establish the extent of required work onboard
		corvettes.
		b. Income tax registered.
10	EDC	C. Sales tax registered.
12.	EDC	07 x Working days after issuance of work/ confirmation order
13.	Warranty	01 Year
14.	Acceptance criteria	a. 380VAC Main supply
		b. 50Hz c. 3 Phase
	· ·	e. 24VDC control supply f. Satisfactory operation of equipment.

IT SPECIFICATIONS

1		IT SPECIFICATIONS
S No	Description	
1.	Parent Equipment	Chiller Plant
2.	Sub Equipment	Chiller Seawater System
3.	Assembly Component	Chiller Seawater System Suction Strainer Body
<u> </u>	Model	JTLS-150
5.	Make	Jiangsu Josun Air Conditioner Co. Ltd
<u> </u>	Quantity/Item Details	Strainer body with cover, bolts and butterfly nuts
7.	Justification	Degraded condition of Strainer due aging and fare wear and tear
8.	Work required/Defect	Chiller Seawater Cooling system suction strainer body fabrication required along with body cover, studs and butterfly nuts and strainer mesh
9.	Technical Specifications	As per Sample
10.	Scope of work	a. Fabrication of suction brass strainer body as per sample
		 b. Fabrication of strainer body cover as per sample c. Fabrication of SS studs and butterfly nuts
11.	Eligibility Criteria	Any registered and security wise cleared local contractor who has working experience onboard MPVs
12.	EDC	05 Day
13.	Warranty	01 Year
14.	Acceptance Criteria	Satisfactory and smooth operation of sea water system without any leakage and seepage from strainer body
15.	Any Other Relevant Information

<u>IT SPECIFICATION: REPAIR/ REPLACEMENT OF MAIN SUPPLY BREAKER OF PERKIN</u> DG 150 KVA – PMSA BASE GWADAR

i.	Ship's Name	PMSA BASE GWADAR
2.	Parent Equipment	Perkin Shore Diesel Generator 150 KVA
3.	Sub Equipment	Main supply breaker (250 Amp)
4.	Assembly Component	-
5.	Make	FRANCE
6.	Model	EZC 250 F (250 Amp) Easy Pact (3 Pole)
7.	Qty	01
8.	Justification i.e PMSA/ Failure/ FWT etc	Main Supply breaker of 150 KVA Shore DG is defective due FWT. Repair/ Replacement critically require to meet electric power requirements of the base.
9.	Work Required/ Defect	Repair/ replacement of main supply breaker 150KVA Shore Diesel Generator.
10.	Detailed Scope of work	Repair/ replacement of main supply breaker 150KVA shore Diesel Generator with new
11.	Technical Specifications	Rated Current:
		250 AMP (40-C) Schneider Electric – (3 Pole)
		Breaker Capacity:
		UI= 690 v 50/60 Hz UImp = 6 Kv Cat A 40 ⁰ C Conforming to IEC 60947-2 JIS – CB 201 – 2-1 250Amp
		Protection Type:
		Overload protection (long time) L short time short – circuit protection with fixed delay so instantaneous short – circuit protection I
12.	Eligible Criteria	Any local/ international well reputed firm having experience for repair/ replacement of shore DGs & associated accessories.
13.	EDC	15 days
<u> </u>	Warranty	1 year
15.	Acceptance Criteria	Inspection by end user and successful trials after installation
16.	Any Other relevant Information	POC LT Shahid Noor PN 0305-9722060 OI/C PMSA Base Gwadar

REPAIR/ REPLACEMENT OF 02 x 2 TONS SPLIT AC - PMSS REHMAT

S No	IT Specifications	
1.	Parent Equipment	General Habitability onboard
2.	Sub Equipment	Split AC
3.	Assembly Component	2 Tons (24000 BTUs)
4.	Make	Any reputable brand preferably DAWLANCE, GENERAL,
5.	Model	LG or ACSON
6.	Quantity	02 in No
7.	Justification i.e PMS/ Failure/ FWT etc	02 x split AC performance is observed degraded due FWT/ old vintage.
8.	Work required/ Defect	Repair/ replacement of 02 x 2 tons split AC is required.
9.	Technical Specification	 a. 24000 BTU b. 220V 50Hz c. Copper material for inner and outer coil.
10.	Scope of Work	 Following work is required to be undertaken for repair/ replacement of 2 tons AC: a. Repair/ replacement of 02x Split Air Conditioner alongwith all accessories including safety breaker. b. Split Air Conditioner with copper condenser in outdoor unit and copper evaporator in Indoor unit. c. 7"/44" supply cable and installation is required. d. Inverter AC is not to be preferred and plain AC with R-22 refrigerant to be ensured.
11.	Eligibility Criteria	 a. The firm must visit onboard and carry out diagnosis/ inspections to establish the extent of required work. b. Income tax registered. c. Sales tax registered.
12.	EDC	1 week after issuance of Work order.
13.	Warranty	Company's warranty for 1 year.
14.	Acceptance criteria	 a. 24000 BTU b. 220V 50Hz c. Copper material for inner and outer coil. d. Inspection and satisfactory trials by end user.
15.	Any other relevant information	-

REPAIR/ REPLACEMENT OF 37 MM GUN WATER COOLING SYSTEM AND ARMOURY FF SYSTEM DEFECTIVE LINES VALVES

<u>S NO</u>	Specification	Remarks
1.	Parent Equipment	Manual Sprinkling And 37 MM Gun System
2.	Sub System	Manual Sprinkling And 37 MM Gun Water Cooling System
3.	Assembly Component	Sprinklers, Pipes, Joints, Flexible pipes, Control valves
4.	Make	China
5.	Model	
6.	Quantity	01
7.	Justification i.e. PMS/ failure/ FWT etc	FWT
8.	Work Required! Defect	To ensure leakage free operation of armoury sprinkling system and gun water cooling system for smooth operation. Complete operationalization of both systems
9.	Detailed Scope of work	Detailed scope of work is as under: a. Repair/ replacement of deteriorated, leaky water lines, valves, Joints c. Repair/ Replacement of control valve (if required) d. Repair/ Replacement of 04 sprinklers for full coverage of Compartment e. Operationalization of both systems
10.	Technical Specs	As per sample
11.	Eligibility Criteria	a. NTN/ GST registered and have experience in stated work
	· ·	b. Firm should visit onboard to see scope of work before quoting
		c. Firm to ensure operationalization of both systems leakage free in all aspects
		d. Proper and standardized workmanship is required to be observed
12.	EDC	4 x weeks
13.	Warranty	1 x year after acceptance of repair work
14.	Acceptance criteria	HATs/ SATs after completion of work by Local Firm
15.	Any other relevant information	Nit

IT SPECIFICATIONS FOR REPAIR/ FABRICATION OF VENTILATION DUCTS/ TRUNKING – PMSS HINGOL

S No	Description			
1.	Parent Equipment	Exhaust/ Ventilation		
2.	Sub Equipment	-		
3.	Assembly Component	Ducts/ Trunking		
4.	Model	Aluminum material		
5.	Make	-		
6.	Quantity/Item Details	Ventilation ducts (Aluminum material) with following dimensions is to be fabricated and replaced: S No Width x Height (Inches) Length (Feet) a. 13" x 10" 5' b. 13" x 10" 8'		
7.	Justification	Ducts/ Trunking leaky and not properly ventilating the compartment		
8.	Work required/Defect	Repair/ Fabrication of ventilation ducts/ trunking with no leakage		
9.	Scope of work	 a. Removal of deteriorated ducts. b. Fabrication of new ducts by the firm with Aluminum grade material c. Pressure test of ducts be undertaken for leakages d. New ducts to be installed with new gaskets on every joint. e. The studs/ Nut bolts be used for Stainless Steel material. f. After installation of ducts, successful onboard trials on running ventilation fans without any leakage from the ducts. g. All in-way accessories be removed by the firm and fitted back. h. Growth work will be sole responsibility of the firm. To avoid complications on later stage, firm is directed to visit the ship before quoting for understanding removal/installation and defect rectification scope. j. Firm quoting without visiting will be liable for rejection in TSR 		
10.	Technical Specifications	As per dimensions given		
11.	Eligibility Criteria	 a. Any registered and security wise cleared local contractor having good experience in above mentioned scope of work b. Firm must visit site for understanding exact nature of defect/hindrances involved in job prior quoting to avoid inconvenience on later stage after reward of Work Order. Firm is to quote for growth work by visiting ship in commercial quotation prior award of work order 		
12.	EDC	02 Weeks		
<u> </u>	Warranty	01 Year Warranty		
14.	Acceptance Criteria	Satisfactory fabrication, installation and operation of ventilation ducts without any leakage.		
15.	Any Other Relevant Information	SS may be contacted for any requirement/query

IT SPECFICATION FOR PURCHASE OF 02 x DEFIBRILLATORS

System	DEFIBRILLATORS
Location	SICKBAY PMSS INDUS
Quantity	02
Make	France
Model	SCHILLER FRED PA-1
Technical Specification	Here are the technical specifications of the Schiller FRED PA-1 defibrillator:
	<u>Dimensions</u> 31 x 25.5 x 10 cm (or 40 cm x 17 cm for the device with the cover)
	Weight: 2.5 kg
	Energy Levels: Adult:150/200J Child: 50/50/50J (with optional pediatric electrode pads connected).
	Battery Life: 6 years standby life.
	IP Rating: 55 (high water and dustproof rating).
	Operating Temperature: 5 to 40 C.
	Date Storage: Up to 2 hours of intervention data on a SD card Warranty: 10 year manufacture warranty.
Eligibility	All Reputable GST Registered Firms/ Contractors/ Supplier
Warranty '.	01 year
EDD	01 Month
Acceptance Criteria	Test Trial by Sickbay Staff
Any other information	Item will only be accepted after satisfactory test/trials by Sickbay Staff
Term of Payment	100% Payment after installation

INVITATION TO TENDER GENERAL INSTRUCTIONS

1. <u>CONDITIONS GOVERNING CONTRACT:</u>

All Procurement / Repairs / Maintenance Contract, Local Purchase Order (LPO) and work ordered made as aresult of this IT shall mean the agreement entered into between the parties that is buyer and the supplier will be in accordance with the PPRA rules 2004 or any amendment issued from time to time. Therefore all open tender inquiry will be uploaded on PPRA Website and publish on print media as the case may be.

2. <u>SUMBISSION OF TENDER:</u>

Firms shall submit their offers in two separate envelopes clearly marked as "**Commercial Offer**" and "**Technical Offer**" for open tender. Both envelops shall be properly sealed bearing the signature of the bidder. Thereafter both these envelopes shall be placed in one bigger envelope. This envelope should bearthe address of the D (P&CC).

a. **TECHNICAL OFFER:** Should contain all relevant details and specifications as per the IT specifications. Literature / Brochure or any other relevant technical details may also be included in it. Technical offer should not contain the price. Indication of price in technical offer may render it null and void. The word "Technical Offer" should be clearly mentioned alongwith the tender No anddate on the envelope containing the technical offer.

b. **<u>COMMERCIAL OFFER:</u>** The price be quoted in figures as well as in words alongwith essential Literature / Brochures. The word "Commercial Offer", tender number should be clearly mentioned on the envelope. Taxes, duties, freight / transportation, insurance charges etc if any areto be indicated separately.

c. **<u>BID SECURITY</u>**: All registered firms are exempted from provision of bid security upto Rs.500,000/- and unregistered firms have to provide bid security equals to 02% for bids amounting upto Rs.500,000/- in the shape of Pay Order in favor of "IT Sale Account DG PMSA". Furthermore, firms are required to deposit bid security not exceeding 05% of the bid price for bid value amounting more than Rs.500,000/-. Moreover, following guidelines will be followed:

- i. 2% from registered firms.
- ii. 5% from un-registered firms.

d. Total price of the items quoted against the tender is to be clearly mentioned. It should also contains a **pay order 2% or 5% in the shape of pay order of the offered value** as earnest money. Cross cheque or cash is not acceptable in this case. The offer received without earnest money will be rejected.

e. **SPECIAL INSTRUCTIONS:** Tender documents and its conditions may please be read point to point and understood properly before quoting. All tender conditions should be responded properly. In case of any deviation due to non-acceptance of tender conditions, the same should be highlighted alongwith changed offer / conditions. Tender may however be liable to be rejected.

PREPARATION OF QUOTATION

Please prepare quotation in this format In case of GST @ 18% or SST @ 15%:

<u>S.NO</u>	Description	<u>Unit Price</u>	<u>Qty</u>	<u>Total</u>	GST @ 18% or SST @ 15%.	<u>T/Price</u>

Please prepare quotation in this format In case of without GST or SST:

S.NO	Description	<u>Unit Price</u>	<u>Qty</u>	<u>Total</u>	T/Price

Without this format quotation will not be accepted.

3. DATE AND TIME FOR RECEIPT OF TENDER:

Tender must be dropped in tender Box placed at main gate. HQ PMSA will not accept any excuse of delay occurring due to whatsoever reason. Tender received after the time indicated in IT will not be entertained. The tender opening time, however, fall on next working day in case of closed / forced holiday or any other unforeseen event. Only authorized representatives of firm will be allowed to attend tender opening. **The tender received through Fax. E-Mail will not be acceptable**.

4. <u>TENDER OPENING:</u>

Technical offer will be opened as per scope of work on the date and time mentioned in the tender. Commercial offer shall be retained with technical officer. It will be opened at a later stage. All technical offers will be scrutinized by a Technical Scrutiny Report (TSR) committee nominated by HQ PMSA. The offers which are not as per the IT specification will be rejected. The firms recommended by TSR Committee will be allowed to attend the commercial opening for which date and time will be intimated separately.

5. <u>VALIDITY OFFER:</u>

The validity period of quotations must be indicated and should invariably be for 90 days extendable to

30 days from the date of opening of Technical offer.

6. <u>QUOTING OF RATES:</u>

Unit price of the item, GST/ SST or any other Govt tax and Total price all these should be indicated separately in Pak Rupees in a very clear manner as follows:

S No Description Qty U/Price GST/SST/Taxes Total Price

7. ATL/ GST/ SST/ INCOME TAX NUMBER:

Only registered suppliers, who are on Active Taxpayers List (ATL) of FBR, are eligible to supply goods/ services to Government department. GST/SST and income tax number be clearly indicated on the quotations and all other relevant documents.

8. <u>RETURN OF EARNEST MONEY:</u>

a. Earnest money to the unsuccessful bidders will be returned **one week** after commercialopening date.

b. Earnest money to the firm who has won the purchase order/ work order & contract will bereturned on submission of Bank Guarantee as per the contract.

9. <u>TENDER FEE:</u>

Each technical offer must be accompanied with Cash of **Rs.1,000**/- nonrefundable as tender fee

(In favour of IT Sale Account DG PMSA) (Separate Quotations required for each IT Specification).

10. **INSPECTION AUTHORITY:**

Joint inspection of stores provided and work done will be carried out by committee appointed by HQ PMSA or as per the contract.

11. <u>CONDITION OF STORES:</u>

Spares, Stores, items and work done will be accepted on Warranty / Guarantee of the firm onForm DPL-15.

12. DOCUMENTS REQUIRED:

Following documents are required to be submitted alongwith the quotes where applicable:

a. OEM / Authorized Dealer/Agent Certificate alongwith OEM Dealership Evidence as applicable.

b. The Supplier is to provide OEM conformance certificate. In case of Fax or e-mail hard copy of conformance certificate must follow. On receipt of this PMSA HQ may approach the OEM to confirm the veracity of the documents submitted. Companies / firms rendering false OEM conformance certificate will be penalized as per rules in vogue.

13. <u>SECURITY DEPOSIT / BANK GUARANTEE:</u>

To ensure timely and correct supply of stores the firm will furnish an unconditional Bank Guarantee (BG) from a schedule bank for an amount of **10%** of the contract value (excluding taxes, duties / freight handling charges on a stamp paper of the value of (Rs.100/00) as per prescribed format in the shape of Bank Guarantee. Format of Bank Guarantee is at Annex "B". Furthermore, it is imperative to mention that deposit of PBG for HMI and Core Exchange cases will be equal to the total value of engine.

14. <u>CURRENT BANK STATEMENT:</u>
