Pakistan Standard Time on **23.07.2024 (Tuesday)** after which no bid will be accepted. Technical Proposal of the bids received up to closing date and time shall be opened on the same date at 1130 hours, in presence of Bidders / Representatives who wish to attend at

Chairman Secretariat,
Conference Room,
Port Qasim Authority, Bin Qasim, Karachi 75020
Tel: 99272111-20LINES Ext; 4545

Only the Technical offers shall be opened on above date and time and envelopes containing Financial offers shall be retained un-opened and will be opened subsequently with prior intimation to the technically qualified bidders.

E. BID OPENING AND EVALUATION

ITB-15. Opening of Bids by PQA

PQA will open bids (only Technical Proposals) in the presence of Bidders / representatives who choose to attend at the scheduled date and time at the Conference Room, Chairman Secretariat. After technical evaluation / scrutiny of technical proposals, **the Financial Proposals of only technically qualified bidders / bids will be opened** for which date and time will be intimated to them later. The committed Date of Delivery of the respective GRP Surveillance Boats (RHIB) shall be the essence of the Contract.

ITB-16. Clarification of Bids

Prospective Participants/Bidders are requested to seek in writing any clarification (if required about Tender documents) prior to Pre Bid Meeting and in Pre-Bid Meeting so that there is no ambiguity about offered Bid. To assist in the examination, evaluation and comparison of bids, PQA may, at its discretion, ask the Bidder(s) for a clarification of Bid(s). The request for clarification and the response shall be in writing and no enhancement in the price and/or change in the substance of the Bid shall be sought or allowed. PQA Evaluation and Inspection Committee may ask the bidder(s) to provide detailed clarification / presentation on any or all technical, financial, contractual, legal aspects of the bid to assess/ascertain the production capability and credibility / competency of the bidder(s) / construction yard(s) and supplier(s) on Multimedia before PQA officials. PQA team of 02 persons may visit all the technically qualified building yards where the boats to be built prior opening of Financial Bid, in order to ascertain the above requirements. All expenditures for the visit of PQA team to shipbuilding yard shall be borne by the contractor / shipyard / firm.

ITB-17 Some important features for evaluation / Inspection of GRP Surveillance Boats (RHIB)

While determining the technical suitability / eligibility, PQA in addition to above, may take into consideration as hereunder:-

17.1 All provisions, components, material, main and auxiliary machinery of Surveillance Boats, sub-assemblies, parts, consolidated finished products etc. shall be in accordance with the highest quality of International Marine Standards and workmanship and the manufacturing date of all above main machinery & equipment should not be more than 6 months prior to installation

and same to be coupled with Certificate of Conformity (COC) submitted with Technical bid. At any stage of physical inspection / verification, it is the sole responsibility of the Bidder to ensure / prove that the offered parameters are physically / practically true during tests and trials.

17.2 To ease availability of spares, PQA shall prefer that the machinery shall be of reputable familiar origin with manufacturers of machinery who possess authorized repair / facilities for replacement of inflatable tube/(PU) foam coated with Polyurthane , repair of hull and after Sales service for Spares through their local representatives of OEM in Karachi Pakistan.

17.3 All provisions, installations, components, material, machinery of Surveillance boats (**RHIB**), sub-assemblies, parts etc. shall be marine oriented items recommended by International Classification Society. The proposed material, system and items shall be fit for sea worthiness of Surveillance boats (RHIB) and not for industrial, commercial or other use only, such as cables shall be the marine cables, electrical and other fittings shall be of marine type etc.Original Equipment Manufacturers (OEMs) from Israel, India & Taiwan are not acceptable

17.4 All supplies, installations and functioning of systems etc. employed for the construction of GRP Surveillance Boats (RHIB) shall be in accordance with the standard maritime practice approved International Association of Classification Societies (IACS).

17.5 The Surveillance boats (RHIB) to be delivered by the bidder shall ensure the most economical, easier and highly productive use, when in use at Port Qasim.

17.6 Should there be details of certain part, component, provision, material and dimensions etc. is not available in the bidding documents, the bidder shall properly take into account such items as per PQA's recommendations. The bidder shall submit a comprehensive and competitive bid offering to construct and/or deliver the specified marine Surveillance Boats, meeting all standards and requirements as applicable for sea going vessels. Safe and efficient use of purpose of the Surveillance boats (RHIB) to be constructed is to be ensured.

17.7 Improper, sub-standard, under or excessive over rating as compared to the specified or as per normal requirement of machinery, material, design, provisions would tantamount to the rejection of bid. Provision of safety, environmental, navigational, firefighting, and lifesaving equipment shall be examined as per normal requirement of a Surveillance Boat, as approved by International Association of Classification Societies (IACS).

17.8 The General Arrangement Plan or convincingly improved general arrangement plan shall be submitted by the bidder along with his bid. The credentials of designer, builder and procedure for surveys, approval drawing, docking, tests and trials and warranty shall be taken into account for comparison of bids. Along with 3D view in soft copy and is to be presented prior to opening of financial bid.

17.9 Submission of convincing and acceptable schedule of requirement, drawings and follow up of supervision of construction is to be committed by the bidder.

17.10 The finished product (Surveillance Boats) shall meet the specifications, parameters, draught, speed, capacity and use of purpose etc. as given in the bidding document or alteration, amendment as mutually agreed.

17.11 PQA may waive any minor informality or non-conformity of technical requirement etc. or irregularity in a Bid that does not constitute a material deviation, provided such waiver does not prejudice or affect the relative financial ranking of any Bidder.

17.12 PQA reserves the right to accept or reject any or all Bids, and to annul the bidding process at any time prior to award of Contract, without incurring any liability to the affected Bidder or Bidders or any obligation to inform the affected Bidder or Bidders. PQA shall not be bound to accept the lowest or any other tender and reject the same, other or all the bids without mentioning reason.

17.13 The conditional tenderers and Tenders not complying the instructions about machinery / material etc. Signature, stamp shall be rejected.

17.14 PQA at its discretion may or may not assign the work of clearance of tendered Surveillance Boats, beside direct payment by Purchaser / PQA of the duties and taxes to the concerned agencies.

17.15 Any allowance or conditions requiring price adjustment during the Warranty Period of execution of the Contract.

17.16 Additional provision, over and above the condition of contract / technical specification, offered if any.

ITB-18. Contacting PQA

18.1 No Bidder shall at his own contact PQA on any matter relating to its Bid from the time onward from the Bid opening unless requested to do so.

18.2 Any effort by a Bidder to influence PQA in PQA's Bid evaluation, Bid comparison or contract award decisions or in any other manner may result in the rejection of the Bidder's Bid.

ITB-19. Post-Qualification

19.1 PQA will determine to its satisfaction whether the Bidder selected as having submitted the technically responsive and the lowest evaluated Bid is qualified to satisfactorily perform and complete the Contract, in accordance with the requirements and contract terms and conditions.

19.2 The determination will take into account the Bidder's financial stability, technical, professional capabilities, legal standing.

ITB.20 Domestic Preference:

20.1 Domestic preference will be given to the bidders offering vessels from within Pakistan, Provided the Bidder shall have established to the Satisfaction of PQA that the manufacturing cost of such vessels includes a domestic value addition equal to at least 20% of ex-Yard Bid price of such vessels. Bidders applying for domestic preference shall fill in Appendix B of these instructions to substantiate their claim for Domestic preference in accordance with the PPRA Rules – 24(2). The entitlement and extent of preference shall be in accordance with the policies of the Federal Government and / or as described in the SRO 827(1)2001 dated 03rd December 2001 for the Engineering Goods listed in Custom General Order of 1998.

20.2 The comparison shall be Ex-factory price of vessels to be offered from within Pakistan (such prices to include all costs as well as custom duties and taxes paid or payable on Kit of Material (KoM) and components incorporated or to be incorporated in the construction of the vessel and the DDP (CIF + Customs duty, sale tax and other import charges) Pakistan seaport price of the vessel to be offered from outside Pakistan.

20.3 The lowest evaluated bid of each group shall be determined by comparing all evaluated bids in following groups among themselves taking into account:

- a) In the case of Goods manufactured in Pakistan, sales tax, local charges and other similar taxes which will be payable on the finished Goods in Pakistan.
- b) In case of Goods of foreign origin offered from abroad, customs duties, sales tax and other import charges which will be payable on finished Goods in Pakistan.
- c) In the case of Goods of foreign origin already located in Pakistan, customs duty, sales tax and import charges on CIF prices as applicable for sub-clause 20.3(b) here above,

20.4 The price preference to Group (a) bids in sub-clause 20.3(a) will be:

- i) 15% of the ex-factory bids price, if the value addition through indigenous manufacturing is at least 20%.
- ii) 20% of the ex-factory bid price, if the value addition through indigenous manufacturing is over 20% and upto 30% and
- iii) 25% of the ex-factory bid price, if the value addition through indigenous manufacturing is over 30%.

20.5 The applicable price preference i.e. as per Sub-Clause 20.4 here above will be applicable to Group (a) Bid in sub-clause 20.3(a) by reducing the ex-factory bid price. The bid value evaluated as technically qualified and the lowest in cost shall be recommended for award of Work.

20.6 Bidder claiming eligibility for domestic preference shall provide information as per Annexure K.

SECTION III

GENERAL CONDITIONS OF CONTRACT

A. GENERAL CONDITIONS OF CONTRACT

1. DEFINITIONS

1.1 The following words and expressions shall have the meanings hereby assigned to them:

- (a) **“Surveillance Boat”** Means a Boat which is capable of carrying out surveillance operations taking place at Port Harbour and Channels i.e. Line Handling (Passing of Ropes/ Slings) from vessels to berths / jetties / piers / Anchorage Buoys and services required on Channel buoys/Anchorage Buoys etc.
- (b) **“Contract”** means the Agreement entered into between the Purchaser and the Supplier, together with the Contract Documents referred to therein, including all attachments, appendices, schedules and all documents incorporated by reference therein.
- (c) **“Contract Documents”** means the documents listed in the Agreement, including any amendments thereto.
- (d) **“Contract Price”** means the price payable to the Supplier as specified in the Agreement, subject to such additions and adjustments thereto or deductions therefrom, as made pursuant to the Contract.
- (e) **“Day”** means calendar day.
- (f) **“Delivery”** means the transfer of the Goods from the Supplier to the Purchaser in accordance with the terms and conditions set forth in the Contract.
- (g) **“Completion”** means the fulfillment of the supply of Goods by the Supplier in accordance with the terms and conditions set forth in the Contract.
- (h) **“Eligible Countries”** means the countries as per Appendix-
- (i) **“GCC”** means the General Conditions of Contract.
- (j) **“Goods”** means all of the commodities, raw material, machinery and equipment, and/or other materials that the Supplier is required to supply to the Purchaser under the Contract.
- (k) **“Purchaser’s Country”** is the country specified in the Particular Conditions of Contract (PCC).
- (l) The **“Purchaser”** means the Employer who is the entity purchasing the Goods, as specified in the PCC, and includes the legal successors or assigns of the Purchaser.
- (m) **“PCC”** means the Particular Conditions of Contract.
- (n) **“Subcontractor”** means any natural person, private or government entity or a combination of the above, including its legal successors or permitted assigns, to whom any part of the Goods to be supplied is subcontracted by the Supplier.

- (o) **“Supplier”** means the natural person, private or government entity, or a combination of the above, whose bid to perform the Contract has been accepted by the Purchaser and is named as such in the Agreement, and includes the legal successors or permitted assigns of the Supplier.
- (p) **“The Site”** where applicable, means the place named in the PCC.

2. Contract Document Subject to the order of precedence set forth in the Agreement, all documents forming the Contract (and all parts thereof) are intended to be correlative, complementary, and mutually explanatory.

3. Corrupt and Fraudulent Practices 3.1(a) For the purposes of this provision, the term “Corrupt and Fraudulent Practices” includes the offering, giving, receiving, or soliciting of anything of value to influence the action of a public official or the supplier or contractor in the SUPPLY/NEW CONSTRUCTION process or in contract execution to the detriment of the procuring agencies; or misrepresentation of facts in order to influence a SUPPLY/NEW CONSTRUCTION process or the execution of a contract, collusive practices among bidders (prior to or after bid submission) designed to establish bid prices at artificial, non-competitive levels and to deprive the procuring agencies of the benefits of free and open competition and any request for, or solicitation of anything of value by any public official in the course of the exercise of his duty.

(b) The Purchaser will reject a proposal for award if it determines that the bidder recommended for award has, directly or through an agent, engaged in corrupt and fraudulent practices in competing for the Contract.

(3,2) The Supplier shall permit the Purchaser to inspect the Supplier’s accounts and records relating to the performance of the Supplier and to have them audited by auditors appointed by the Purchaser, if so required by the Purchaser.

4. Interpretation 4.1 If the context so requires it, singular means plural and vice versa where the context requires.

4.2 Incoterms
The meaning of any trade term and the rights and obligations of parties there under shall be as prescribed by Incoterms.

(a) EXW, C&F, DDP, and other similar terms, shall be governed by the rules prescribed in the current edition of Incoterms, published by the International Chamber of Commerce at the date of the Invitation for Bids or as specified in the PCC.

4.3 Entire Agreement

The Contract constitutes the entire agreement between the Purchaser and the Supplier and supersedes all communications, negotiations and agreements (whether written or oral) of parties with respect thereto made prior to the date of Contract.

4.4 Amendment: No amendment or other variation of the Contract shall be valid unless it is in writing, is dated, expressly refers to the Contract, and is signed by a duly authorized representative of each party thereto.

4.5 Non-waiver

(a) Subject to GCC Sub-Clause 4.5(b) below, no relaxation, forbearance, delay, or indulgence by either party in enforcing any of the terms and conditions of the Contract or the granting of time by either party to the other shall prejudice, affect, or restrict the rights of that party under the Contract, neither shall any waiver by either party of any breach of Contract operate as waiver of any subsequent or continuing breach of Contract.

(b) Any waiver of a party's rights, powers, or remedies under the Contract must be in writing, dated, and signed by an authorized representative of the party granting such waiver, and must specify the right and the extent to which it is being waived.

4.6 Severability

If any provision or condition of the Contract is prohibited or rendered invalid or unenforceable, such prohibition, invalidity or unenforceability shall not affect the validity or enforceability of any other provisions and conditions of the Contract.

5. Language

5.1 The Contract as well as all correspondence and documents relating to the Contract exchanged by the Supplier and the Purchaser, shall be written in the language specified in the PCC. Supporting documents and printed literature that are part of the Contract may be in another language provided they are accompanied by an accurate translation of the relevant passages in the language specified in the PCC, in which case, for purposes of interpretation of the Contract, this translation shall govern.

5.2 The Supplier shall bear all costs of translation to the governing language and all risks of the accuracy of such translation.

- 6. Joint Venture, Consortium or Association** 6.1 Unless otherwise specified in the PCC, if the Supplier is a joint venture, consortium, or association, all of the parties shall be jointly and severally liable to the Purchaser for the fulfillment of the provisions of the Contract and shall designate one party to act as a leader with authority to bind the joint venture, consortium, or association. The composition or the constitution of the joint venture, consortium, or association shall not be altered without the prior consent of the Purchaser.
- 7. Eligibility** 7.1 The Supplier and its Subcontractors shall have the nationality of an Eligible Country in case of International Competitive Bidding but only of Pakistan in case National Competitive Bidding. A Supplier or Subcontractor shall be deemed to have the nationality of a country if it is a citizen or constituted or incorporated, and operates in conformity with the provisions of the laws of that country.
- 7.2 All Goods to be supplied under the Contract and financed by the Purchaser shall have their origin in Eligible Countries. For the purpose of this Clause, origin means the country where the goods have been grown, mined, cultivated, produced, manufactured, or processed; or through manufacture, processing, or assembly, another commercially recognized article results that differs substantially in its basic characteristics from its imported components.
- 8. Notices** 8.1 Any Notice given by one party to the other pursuant to the Contract shall be in writing to the address specified in the PCC. The term “in writing” means communicated in written form with proof of receipt.
- 8.2 A Notice shall be effective when delivered or on the Notice’s effective date, whichever is later.
- 9. Governing Law** 9.1 The Contract shall be governed by and interpreted in accordance with the laws of the Purchaser’s country, unless otherwise specified in the PCC.
- 10. Settlement of Disputes** 10.1 The Purchaser and the Supplier shall make every effort to resolve amicably by direct informal negotiation any disagreement or dispute arising between them under or in connection with the Contract.
- 10.2 If the parties fail to resolve such a dispute or difference by mutual consultation within twenty-eight (28) days from the commencement of such consultation, either party may require that the dispute be referred for resolution to the formal mechanisms specified in the PCC.

- 11. Scope of Supply**
- 11.1 Subject to the PCC, the Goods to be supplied shall be as specified in Schedules to Bid.
- 11.2 Unless otherwise stipulated in the Contract, the Scope of Supply shall include all such items not specifically mentioned in the Contract but that can be reasonably inferred from the Contract as being required for attaining Delivery and Completion of the Goods as if such items were expressly mentioned in the Contract.
- 12. Delivery**
- 12.1 Subject to GCC Sub-Clause 33.1, the Delivery of the Goods shall be in accordance with the Delivery and Completion Schedule specified in the Schedules to Bid. The details of shipping and other documents to be furnished by the Supplier are specified in the PCC.
- 13. Supplier's Responsibilities**
- 13.1 The Supplier shall supply all the Goods included in the Scope of Supply in accordance with GCC Clause 11, and the Delivery and Completion Schedule, as per GCC Clause 12.
- 14. Purchaser's Responsibilities**
- 14.1 Whenever the supply of Goods requires that the Supplier obtain permits, approvals, and import and other licenses from local public authorities, the Purchaser shall, if so required by the Supplier, make its best effort to assist the Supplier in complying with such requirements in a timely and expeditious manner.
- 14.2 The Purchaser shall afford all costs involved in the performance of its responsibilities, in accordance with GCC Sub-Clause 14.1.
- 15. Contract Price**
- 15.1 The Contract Price shall be as specified in the Agreement subject to any additions and adjustments thereto, or deductions therefore, as may be made pursuant to the Contract.
- 15.2 Prices charged by the Supplier for the Goods delivered under the Contract shall not vary from the prices quoted by the Supplier in its bid, with the exception of any price adjustments authorized as per the formula if given in GCC Sub-Clause
- 15.3 This is a Fixed Price Contract; hence the Price Adjustment is not applicable.

16. Terms of Payment

- 16.1 The Contract Price shall be paid as specified in the PCC.
- 16.2 The Supplier's request for payment shall be made to the Purchaser in writing, accompanied by invoices describing, as appropriate, the Goods delivered by the documents submitted pursuant to GCC Clause 12 and upon fulfillment of all the obligations stipulated in the Contract.
- 16.3 Payments shall be made promptly by the Purchaser, no later than thirty (30) days after submission of an invoice or request for payment by the Supplier, and the Purchaser has accepted it.
- 16.4 The currency or currencies in which payments shall be made to the Supplier under this Contract shall be specified in the PCC.

17. Taxes and Duties

- 17.1 For Goods supplied from outside the Purchaser's Country, the Supplier shall be entirely responsible for all taxes, stamp duties, license fees, and other such levies imposed outside the Purchaser's Country.
- 17.2 For Goods supplied outside the Purchaser's Country, the Supplier shall be entirely responsible for all taxes, duties, license fees, etc., incurred till delivery of the contracted Goods to the Purchaser.
- 17.3 If any tax exemptions, reductions, allowances or privileges may be available to the Supplier in the Purchaser's Country, the Purchaser shall use its best efforts to enable the Supplier to benefit from any such tax savings to the maximum allowable extent
- 17.4 Duty & Taxes (if any) in Pakistan, on import of Surveillance Boats will be the responsibility of Port Qasim Authority.
- 17.5 Local yards in Pakistan are responsible for duty & taxes.

18. Performance Security

- 18.1 The proceeds of the Performance Security shall be payable to the Purchaser as compensation for any loss resulting from the Supplier's failure to complete its obligations under the Contract.
- 18.2 The Performance Security shall be denominated in the currencies of the Contract, or in a freely convertible currency acceptable to the Purchaser, and shall be in one of the forms stipulated by the Purchaser in the PCC, or in another form acceptable to the Purchaser.
- 18.3 The Performance Security shall be discharged by the Purchaser and returned to the Supplier not later than sixty eight (60) days following the date of completion of the Supplier's performance obligations under the

Contract, including any warranty obligations, unless specified otherwise in the PCC.

19 Copyright

19.1 The copyright in all drawings, documents, and other materials containing data and information furnished to the Purchaser by the Supplier herein shall remain vested in the Supplier, or, if they are furnished to the Purchaser directly or through the Supplier by any third party, including suppliers of materials, the copyright in such materials shall remain vested in such third party.

20 Confidential Information

20.1 The Purchaser and the Supplier shall keep confidential and shall not, without the written consent of the other party hereto, divulge to any third party any documents, data, or other information furnished directly or indirectly by the other party hereto in connection with the Contract, whether such information has been furnished prior to, during or following completion or termination of the Contract. Notwithstanding the above, the Supplier may furnish to its Subcontractor such documents, data, and other information it receives from the Purchaser to the extent required for the Subcontractor to perform its work under the Contract, in which event the Supplier shall obtain from such Subcontractor an undertaking of confidentiality similar to that imposed on the Supplier under GCC Clause 20.

20.2 The Purchaser shall not use such documents, data, and other information received from the Supplier for any purposes unrelated to the Contract. Similarly, the Supplier shall not use such documents, data, and other information received from the Purchaser for any purpose other than the design, SUPPLY/NEW CONSTRUCTION, required for the performance of the Contract.

20.3 The obligation of a party under GCC Sub-Clauses 20.1 and 20.2 above, however, shall not apply to information that:

- (a) the Purchaser or Supplier need to share with the purchaser or other institutions participating in the financing of the Contract;
- (b) now or hereafter enters the public domain through no fault of that party;
- (c) can be proven to have been possessed by that party at the time of disclosure and which was not previously obtained, directly or indirectly, from the other party; or
- (d) otherwise lawfully becomes available to that party from a third party that has no obligation of confidentiality.

20.4 The above provisions of GCC Clause 20 shall not in any way modify any undertaking of confidentiality given by either of the parties hereto prior to the date of the Contract in respect of the Supply or any part thereof.

20.5 The provisions of GCC Clause 20 shall survive completion or termination, for whatever reason, of the Contract.

21 Subcontracting

21.1 The Supplier shall notify the Purchaser in writing of all subcontracts awarded under the Contract if not already specified in the Bid. Subcontracting shall in no event relieve the Supplier from any of its obligations, duties, responsibilities, or liability under the Contract.

21.2 Subcontracts shall comply with the provisions of GCC Clauses 3 and 7.

22 Specifications and Standards

22.1 Technical Specifications and Drawings

(a) The Supplier shall ensure that the Goods comply with the technical specifications and other provisions of the Contract.

(b) The Supplier shall be entitled to disclaim responsibility for any design, data, drawing, specification or other document, or any modification thereof provided or designed by or on behalf of the Purchaser, by giving a notice of such disclaimer to the Purchaser.

(c) The Goods supplied under this Contract shall conform to the standards mentioned in the Schedules to Bid and, when no applicable standard is mentioned, the standard shall be equivalent or superior to the official standards whose application is appropriate to the country of origin of the Goods.

22.2 Wherever references are made in the Contract to codes and standards in accordance with which it shall be executed, the edition or the revised version of such codes and standards shall be those specified in the Schedules to Bid. During Contract execution, any changes in any such codes and standards shall be applied only after approval by the Purchaser and shall be treated in accordance with GCC Clause 33.

- 23 Packing and Documents**
- 23.1 The Supplier shall provide such packing of the Goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the Contract. During transit, the packing shall be sufficient to withstand, without limitation, rough handling and exposure to extreme temperatures, salt and precipitation, and open storage. Packing case size and weights shall take into consideration, where appropriate, the remoteness of the final destination of the Goods and the absence of heavy handling facilities at all points in transit.
- 23.2 The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the Contract, including additional requirements, if any, specified in the PCC, and in any other instructions ordered by the Purchaser.
- 24 Insurance**
- 24.1 Unless otherwise specified in the PCC, the Goods supplied under the Contract shall be fully insured, in a freely convertible currency from an eligible country, against loss or damage incidental to manufacture or acquisition, transportation, storage, and delivery, in accordance with the applicable Incoterms or in the manner specified in the PCC.
- 25 Transportation**
- 25.1 Unless otherwise specified in the PCC, obligations for transportation of the Goods shall be in accordance with the Incoterms specified in the Schedules A and B to Bid.
- 26 Inspections and Tests**
- 26.1 The Supplier shall at its own expense and at no cost to the Purchaser carry out all such tests and /or inspections of the Goods as are specified in the Schedules to Bid.
- 26.2 The inspections and tests may be conducted on the premises of the Supplier or its Subcontractor, at point of delivery, and/or at the final destination of the Goods, or in another place in the Purchaser's country as specified in the PCC. Subject to GCC Sub-Clause 26.3, if conducted on the premises of the Supplier or its Subcontractor, all reasonable facilities and assistance, including access to drawings and production data, shall be furnished to the PQA Technical Team at no charge to the Purchaser.
- 26.3 The Purchaser or its designated representative shall be entitled to attend the tests and/or inspections referred to in GCC Sub-Clause 26.2, provided that the Supplier bear all of its own costs and expenses incurred in connection with such attendance including, but not limited to, all traveling and board and lodging expenses.

- 26.4 Whenever the Supplier is ready to carry out any such test and inspection, it shall give a reasonable advance notice, including the place and time, to the Purchaser. The Supplier shall obtain from any relevant third party or manufacturer any necessary permission or consent to enable the Purchaser or its designated representative to attend the test and/or inspection.
- 26.5 The Purchaser may require the Supplier to carry out any test and/or inspection not required by the Contract but deemed necessary to verify that the characteristics and performance of the Goods comply with the technical specifications, codes and standards under the Contract, provided that the Supplier's reasonable costs and expenses incurred in the carrying out of such test and/or inspection shall be added to the Contract Price. Further, if such test and/or inspection impedes the progress of manufacturing and/or the Supplier's performance of its other obligations under the Contract, due allowance will be made in respect of the Delivery Dates and Completion Dates and the other obligations so affected.
- 26.6 The Supplier shall provide the Purchaser with a report of the results of any such test and/or inspection.
- 26.7 The Purchaser may reject any Goods or any part thereof that fail to pass any test and/or inspection or do not conform to the specifications. The Supplier shall either rectify or replace such rejected Goods or parts thereof or make alterations necessary to meet the specifications at no cost to the Purchaser, and shall repeat the test and/or inspection, at no cost to the Purchaser, upon giving a notice pursuant to GCC Sub-Clause 26.4.
- 26.8 The Supplier agrees that neither the execution of a test and/or inspection of the Goods or any part thereof, nor the attendance by the Purchaser or its representative, nor the issue of any report pursuant to GCC Sub-Clause 26.6, shall release the Supplier from any warranties or other obligations under the Contract.

27 Liquidated Damages

- 27.1 Except as provided under GCC Clause 32, if the Supplier fails to deliver any or all of the Goods within the Warranty Period specified in the Contract, the Purchaser may without prejudice to all its other remedies under the Contract, deduct from the Contract Price, as liquidated damages, a sum equivalent to the percentage specified in the PCC of the Contract Price for each week or part thereof of delay until actual delivery or performance, up to a maximum deduction of the percentage specified in the PCC. Once the maximum is reached, the Purchaser may terminate the Contract pursuant to GCC Clause 35.

28 Warranty

- 28.1 The Supplier warrants that all the Goods are new, unused, and of the most recent or current models, and that they incorporate all recent improvements in design and materials, unless provided otherwise in the Contract.
- 28.2 Subject to GCC Sub-Clause 22.1, the Supplier further warrants that the Goods shall be free from defects arising from any act or omission of the Supplier or arising from design, materials, and workmanship, under normal use in the conditions prevailing in the country of final destination.
- 28.3 Unless otherwise specified in the PCC, the warranty shall remain valid for twenty four (24) months after the Goods, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the PCC, or for thirty (30) months after the date of shipment or loading in the country of origin, whichever Warranty Period concludes earlier.
- 28.4 The Purchaser shall give Notice to the Supplier stating the nature of any such defects together with all available evidence thereof, promptly following the discovery thereof. The Purchaser shall afford all reasonable opportunity for the Supplier to inspect such defects.
- 28.5 Upon receipt of such Notice, the Supplier shall, within the Warranty Period specified in the PCC, expeditiously repair or replace the defective Goods or parts thereof, at no cost to the Purchaser.
- 28.6 If having been notified, the Supplier fails to remedy the defect within the Warranty Period specified in the PCC; the Purchaser may proceed to take within a reasonable Warranty Period such remedial action as may be necessary, at the Supplier's risk and expense and without prejudice to any other rights which the Purchaser may have against the Supplier under the Contract.

29 Patent Indemnity

- 29.1 The Supplier shall, subject to the Purchaser's compliance with GCC Sub-Clause 29.2, indemnify and hold harmless the Purchaser and its employees and officers from and against any and all suits, actions or administrative proceedings, claims, demands, losses, damages, costs, and expenses of any nature, including attorney's fees and expenses, which the Purchaser may suffer as a result of any infringement or alleged infringement of any patent, utility model, registered design, trademark, copyright, or other intellectual property right registered or otherwise existing at the date of the Contract by reason of:

- (a) the installation of the Goods by the Supplier or the use of the Goods in the country where the Site is located; and
- (b) the sale in any country of the products produced by the Goods.

29.2 Such indemnity shall not cover any use of the Goods or any part thereof other than for the purpose indicated by or to be reasonably inferred from the Contract, neither any infringement resulting from the use of the Goods or any part thereof, or any products produced thereby in association or combination with any other equipment, plant, or materials not supplied by the Supplier, pursuant to the Contract.

29.3 If any proceedings are brought or any claim is made against the Purchaser arising out of the matters referred to in GCC Sub-Clause 29.1, the Purchaser shall promptly give the Supplier a notice thereof, and the Supplier may at its own expense and in the Purchaser's name conduct such proceedings or claim and any negotiations for the settlement of any such proceedings or claim.

29.4 If the Supplier fails to notify the Purchaser within twenty-eight (28) days after receipt of such notice that it intends to conduct any such proceedings or claim, then the Purchaser shall be free to conduct the same on its own behalf.

29.5 The Purchaser shall, at the Supplier's request, afford all available assistance to the Supplier in conducting such proceedings or claim, and shall be reimbursed by the Supplier for all reasonable expenses incurred in so doing.

29.6 The Purchaser shall indemnify and hold harmless the Supplier and its employees, officers, and Subcontractors from and against any and all suits, actions or administrative proceedings, claims, demands, losses, damages, costs, and expenses of any nature, including attorney's fees and expenses, which the Supplier may suffer as a result of any infringement or alleged infringement of any patent, utility model, registered design, trademark, copyright, or other intellectual property right registered or otherwise existing at the date of the Contract arising out of or in connection with any design, data, drawing, specification, or other documents or materials provided or designed by or on behalf of the Purchaser.

30 Limitation of Liability

30.1 Except in cases of gross negligence or willful misconduct:

- (a) neither party shall be liable to the other party for any indirect or consequential loss or damage, loss of use, loss of production, or loss of profits or interest costs, provided that this exclusion shall not apply to any obligation of the Supplier to pay liquidated damages to the Purchaser; and
- (b) the aggregate liability of the Supplier to the Purchaser, whether under the Contract, in tort, or otherwise, shall not exceed the amount specified in the PCC, provided that this limitation shall not apply to the cost of repairing or replacing defective equipment, or to any obligation of the Supplier to indemnify the Purchaser with respect to patent infringement.

31 Change in Laws and Regulations

Unless otherwise specified in the Contract, if after the date of the Invitation for Bids, any law, regulation, ordinance, order or bylaw having the force of law is enacted, promulgated, abrogated, or changed in the place of the Purchaser's country where the Site is located (which shall be deemed to include any change in interpretation or application by the competent authorities) that subsequently affects the Delivery Date and/or the Contract Price, then such Delivery Date and/or Contract Price shall be correspondingly increased or decreased, to the extent that the Supplier has thereby been affected in the performance of any of its obligations under the Contract. Notwithstanding the foregoing, such additional or reduced cost shall not be separately paid or credited if the same has already been accounted for in the price adjustment provisions where applicable, in accordance with GCC Clause 15.

32 Force Majeure

32.1 The Supplier shall not be liable for forfeiture of its Performance Security, liquidated damages, or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.

32.2 For purposes of this Clause, "Force Majeure" means an event or situation beyond the control of the Supplier that is not foreseeable, is unavoidable, and its origin is not due to negligence or lack of care on the part of the Supplier. Such events may include, but not be limited to, acts of the Purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions, and freight embargoes.

32.3 If a Force Majeure situation arises, the Supplier shall promptly notify the Purchaser in writing of such condition and the cause thereof. Unless otherwise directed by the Purchaser in writing, the Supplier shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

33 Change Orders and Contract Amendments

33.1 The Purchaser may at any time order the Supplier through Notice in accordance GCC Clause 8, to make changes within the general scope of the Contract in any one or more of the following:

- (a) drawings, designs, or specifications, where Goods to be furnished under the Contract are to be specifically manufactured for the Purchaser;
- (b) the method of shipment or packing;
- (c) the place of delivery; and
- (d) Any other

33.2 If any such change causes an increase or decrease in the cost of, or the time required for, the Supplier's performance of any provisions under the Contract, an equitable adjustment shall be made in the Contract Price or in the Delivery and Completion Schedule, or both, and the Contract shall accordingly be amended. Any claims by the Supplier for adjustment under this Clause must be asserted within twenty-eight (28) days from the date of the Supplier's receipt of the Purchaser's change order.

34 Extensions of Time

34.1 If at any time during performance of the Contract, the Supplier or its Subcontractors should encounter conditions impeding timely delivery of the Goods pursuant to GCC Clause 12, the Supplier shall promptly notify the Purchaser in writing of the delay, its likely duration, and its cause. As soon as practicable after receipt of the Supplier's notice, the Purchaser shall evaluate the situation and may at its discretion extend the Supplier's time for performance, in which case the extension shall be ratified by the parties by amendment of the Contract.

34.2 Except in case of Force Majeure, as provided under GCC Clause 32, a delay by the Supplier in the performance of its Delivery and Completion obligations shall render the Supplier liable to the imposition of liquidated damages pursuant to GCC Clause 27, unless an extension of time is agreed upon, pursuant to GCC Sub-Clause 34.1.

- a) In the event the Purchaser terminates the Contract in whole or in part, pursuant to GCC Clause 35.1 (a) the purchaser may procure, upon such terms and in such manner as it deems appropriate, Goods or Related Services similar to those undelivered or not performed, and the Supplier shall be liable to the purchaser for any additional costs for such similar Goods. However, the supplier shall continue performance of the contract to the extent not terminated
- b) If the supplier, in the judgment of the purchaser has engaged in corrupt and fraudulent practices, as defined in GCC Clause 3, in competing for or in executing the contract

35 Termination

35.1 Termination for Default

- (a) The Purchaser, without prejudice to any other remedy for breach of Contract, by Notice of default sent to the Supplier, may terminate the Contract in whole or in part:
 - (i) if the Supplier fails to deliver any or all of the Goods within the Warranty Period specified in the Contract, or within any extension thereof granted by the Purchaser pursuant to GCC Clause 34; or
 - (ii) if the Supplier fails to perform any other obligation under the Contract.

35.2 Termination for Insolvency

The Purchaser may at any time terminate the Contract by giving Notice to the Supplier if the Supplier becomes bankrupt or otherwise insolvent. In such event, termination will be without compensation to the Supplier, provided that such termination will not prejudice or affect any right of action or remedy that has accrued or will accrue thereafter to the Purchaser.

- (a) The Purchaser, without prejudice to any other remedy for breach of Contract, by Notice of default sent to the Supplier, may terminate the Contract in whole or in part:
 - (i) if the Supplier fails to deliver any or all of the Goods within the Warranty Period specified in the Contract, or within any extension thereof granted by the Purchaser pursuant to GCC Clause 34; or
 - (ii) if the Supplier fails to perform any other obligation under the Contract.

35.3 Termination for Convenience

- (a) The Purchaser, by Notice sent to the Supplier, may terminate the Contract, in whole or in part, at any time for its convenience. The Notice of termination shall specify that termination is for the Purchaser's convenience, the extent to which performance of the Supplier under the Contract is terminated, and the date upon which such termination becomes effective.
- (b) The Goods that are complete and ready for shipment within twenty-eight (28) days after the Supplier's receipt of the Notice of termination shall be accepted by the Purchaser at the Contract terms and prices. For the remaining Goods, the Purchaser may elect:
 - (i) To have any portion completed and delivered at the Contract terms and prices; and/or
 - (ii) To cancel the remainder and pay to the Supplier an agreed amount for partially completed Goods and for materials and parts previously procured by the Supplier.

36 Assignment

- 36.1 The Supplier shall not assign, in whole or in part, its obligations under this Contract, except with prior written consent of the Purchaser.

B. PARTICULAR CONDITIONS OF CONTRACT

1. INTERPRETATION & DEFINITIONS

1.1 Interpretation

These Particular Conditions of Contract (PCC) shall not be construed as amendments/revocations of the existing provisions of the other contract documents listed in Clause 1 of the Contract Agreement and/or General Conditions of Contract (GCC) except as amended/ substituted/added/deleted in these PCC. But if there shall arise any conflict between the intent and meaning of any provisions of the above said other Contract documents and/or GCC and those PCC then the provisions of these PCC shall prevail to the extent of the conflict as expressing the real meaning and intent of the parties notwithstanding anything to the contrary in the above said other Contract documents and/or GCC.

- j) "Letter of Intent" (LOI)** means the formal letter of intent issued by PQA to the successful Tenderer / Lowest Evaluated Bidder to proceed further as per provisions of Tender Documents for acceptance of his Tender / signing of Contract Agreement.
- k) 'Newly constructed THREE (03) GRP SURVEILLANCE BOATS (RHIB)'** means from the date of opening of the Technical Proposals (a) yet to be built or in process of construction or (b) built but not used for any port operations / survey after issuance of Class Certificate.
- l) Origin of Goods and Services** "Origin" means the place where the tendered GRP Surveillance Boats (RHIB) are produced or from which the ancillary services are supplied. The origin should not be from Israel, India& Taiwan
- m) 'Period of Delivery'** means the period on which the newly constructed Three (03) GRP Surveillance Boats (RHIB)(All weather sea going class) is to be delivered as per Clause 2.2 of the Particular Conditions of the Contract-Section III and Serial No.7 of the Summary of Stipulations Section IV of the Contract.

- n) **'POL'** means petroleum or other products (fuel/lubricants/grease).
- o) **PQA** means the **Port Qasim Authority**, headed by the **Chairman** and represented by Secretary:-

Port Qasim Authority
Bin Qasim
Karachi – 75020, Pakistan
Tel No. 99272111 – 20 lines
Fax No. 021- 4730108-9
Email secretary@pqa.gov.pk

- p) **'Price of the Contract / Contract Price'** means the total fixed Price of the accepted Tender not to be increased as given in Letter of Intent, inclusive of all additions thereto or deductions there from as permissible under the provisions of the Contract.
- q) **"Purchaser"** means the party purchasing Three (03) GRP Surveillance Boats (RHIB) inclusive of services there under and purchase.
- r) **"Services"** means services ancillary to the supply of Goods such as port operations, Surveillance within port and its approaches, transportation and insurance, and any other incidental services such as installation, commissioning, provision of technical assistance, training assistance, training and other obligations of the Supplier covered under the contract.'
- s) **Specifications"** means the relevant technical parameters as specified in Tender documents, included in the Contract and as submitted by bidder.
- t) **"Supplier"** means the party supplying the Three (03) GRP Surveillance Boats (RHIB) inclusive of services there under and purchase.
- u) **Supplier/Contractor** means the person/persons or firm / supplier / shipbuilding yard or company whose Tender has been accepted by PQA for supply of Three (03) GRP Surveillance Boats (RHIB) as per Contract and includes the Contractor's legal personal representatives, successors and permitted assigns.
- v) **The Purchaser / Employer** means Port Qasim Authority
- w) **"The Site"** means the actual place where the GRP Surveillance Boats (RHIB) are to be physically inspected, tested and trialed by PQA's Technical Team/surveyors.

2. Period of Delivery of THREE (03) GRP SURVEILLANCE BOATS (RHIB)

- 2.1 The Period of Delivery of Three (03) GRP Surveillance Boats (RHIB) shall be the essence of the Contract.
- 2.2 The Period of Delivery of the GRP Surveillance Boats (RHIB) shall be not later than 10 months after the opening of Letter of Credit (L.C.) as in Clause 26 of the Particular conditions of contract and Serial No. 7 of the Summary of Stipulations

Section IV of the Contract and in the Bills of Quantities – Section VII of the Contract.

3. The Contract Price

The Contract Price shall be fixed in Pak Rupees and shall not be increased. All payments shall be made through Letter of Credit in Pak Rupees (for import only).

4. Terms of Payment

4.1 The local Supplier/Contractor shall be paid in Pak Rupees.

5. Defect Liability

Any defect deficiency or default not being in accordance with the Contract Agreement discovered after the acceptance test trials upto the end of the Warranty Period of the GRP Surveillance Boats (RHIB) in Pakistan (fair wear and tear excepted) or during manning, operation or maintenance shall be made good at the Supplier's own expense. In case of Supplier's failure or omission to perform the above rectification the Supplier shall be liable to the Purchaser to the extent of loss/costs resulting thereof by adjustment deduction in the Contract Price or recoverable by any other available means.

6. Arrival of Three (03) GRP Surveillance Boats (RHIB)

Within 7 days of arrival/ successful completion of acceptance trials & tests of the newly constructed Three (03) GRP Surveillance boats (RHIB) at Port Qasim, the "Certificate of Arrival/ Acceptance" shall be issued by the Purchaser.

7. Liquidated Damages

7.1 (a) The Purchaser shall be entitled to liquidated damages from the Supplier if the delay is on Supplier's account and not due to any delay on Purchaser's account for delayed delivery of the Surveillance boats (RHIB) by not later than 10 months after the opening of Letter of Credit (L.C.) at the rate of PKR 100,000/- (One hundred thousand only) per day per delayed Surveillance Boat up to a maximum of 10 percent of the Contract Price.

(b) The term "Delivery" for the purpose of liquidated damages shall be after confirmatory and acceptance tests and trials at Port Qasim, Karachi, Pakistan and issuance of Acceptance Certificates by PQA.

7.2 Speed

For the purpose of determining the Surveillance Boat actual speed, sea trials shall be carried out as prescribed by the Purchaser. If the actual trial speed so computed shall be 40 knots, in fair weather and calm Sea, the Supplier shall pay to Purchaser as compensatory/ liquidated damages the following percentages of the Contract Price.

Actual less speed in knots	Percentage of the Contract Price
0.10 - 0.30	0.75
0.31 - 0.50	1.00
0.51 – 0.80	1.25

7.3 **Draught**

Should the actual draught of the Surveillance boats (**RHIB**) exceed the prescribed limit then the Supplier shall pay to Purchaser as liquidated damages an amount equal to 0.75% of the Contract Price for each 0.05 meter excess draught.

Should the draught of the Surveillance boats (**RHIB**) exceed than the acceptable limit, Purchaser will have the right to refuse accepting the Surveillance Boats. The Supplier shall remedy the deficiency until the draught is in accordance with the specification in which case the above mentioned liquidated damages shall still be applicable.

7.4 For payment of liquidated damages under any provision of the Contract Agreement the Purchaser may take recourse to sums due to the Supplier or the Performance & Advance Payment Bank Guarantee submitted by the Supplier or any other means for recovery of the liquidated damages.

7.5 The liquidated damages for individual defaults under the Contract Agreement shall not be accumulative but distinct and will be recovered accordingly. Once the maximum liquidated damages have been reached for any particular default relating to a particular Newly constructed Surveillance boats (**RHIB**) under a liquidated damages provision of the Contract Agreement the Purchaser may terminate the Contract Agreement and in case of termination of the Contract Agreement, the Purchaser shall be entitled to get refunded the advance Contract Price installments paid to the Supplier for the unexpired parts of any and/or all Warranty Periods.

7.6 If the Supplier fails to deliver by the Date of Delivery of Newly constructed Three (03) Surveillance boats (**RHIB**) (All weather sea going class) , PQA shall, without prejudice to its other remedies under the Contract, deduct from the Contract Price as liquidated damages, the specified amount per day in Serial No.10 of the Summary of Stipulations-Section IV of the Contract from any balance or guarantee available with PQA until actual delivery of performance up to a maximum deduction in the said Summary of Stipulations. Once the maximum of the Liquidated Damages is reached PQA may terminate the Contract pursuant to this Clause-35 of the General Conditions of the Contract.

8. **The Rates**

All payments shall be made in Pak Rupees.

9. **Performance Bond**

9.1 The Supplier shall submit a Performance Bond from a Pakistani Scheduled Bank having a minimum AA local rating or A rating from International rating agencies like Moody's, Fitch and S&P located in Karachi, Pakistan for the proper and conscientious execution of the Contract before the signing of Contract in the form of a bank guarantee. The amount of the bank guarantee shall be 10% of the total Contract Price.

9.2 All costs (inclusive of stamp duty) incurred in respect of submission of Tender and signing of Contract and submission of Performance Bond shall be borne by the Supplier and PQA will not bear any expenses in this regard whatsoever.

- 9.3 The Performance Bond shall be denominated in the currency of the Contract, and shall be in accordance with format of form prescribed at Annexure-H of Tender document and issued / endorsed by a bank (as mentioned above) and acceptable to PQA.
- 9.4 The Performance Bond shall be discharged by the Purchaser and returned to the Supplier not later than 60 days following the date of completion of the Supplier's performance obligations, including any warranty obligations for 24 (Twenty Four) months, under the Contract and the Purchaser having issued the Final Acceptance Certificate and Supplier having transferred to the Purchaser the GRP Surveillance Boats (RHIB) on expiry of contract Warranty Period.
- 9.5 The Performance Bond is binding, irrespective of variations, changes or time extension, which are granted or agreed upon.

10. Warranty / Guarantee

- 10.1 The Supplier shall warrant that the Goods supplied under the Contract are of the proven design, robust structure and materials, machinery equipment are of international marine standard confirming to requirements of Classification Society. The Supplier further warrants that the Goods supplied under this Contract shall have no defect arising from design, materials or workmanship or from any act or omission of the Supplier that may develop under normal use of the supplied Goods in the environmental and operational conditions prevailing at Port Qasim.
- 10.2 The Warranty shall remain valid for the Three (03) GRP Surveillance Boats (RHIB) for 24 (twenty four) months after the date of completion of Confirmatory Tests in Port Qasim, Karachi, Pakistan and delivery to PQA of Surveillance boats (RHIB). For warranty purpose the Supplier shall keep a Warranty Engineer available at short notice to attend as and when required any defect developed during the Warranty Periods at Supplier's own cost, risk and expense, and also for carrying out for all routines through OEM during the two (02) years warranty period.
- 10.3. The Purchaser shall promptly notify the Supplier in writing of any claims arising during the Warranty. Upon receipt of such notice, the Supplier shall, with all reasonable speedy repairs or replace the defective Goods or parts thereof without costs to the Purchaser ensuring to retrieve the acceptance status.
- 10.4 If the Supplier,(after having been notified), fails to immediately rectify/remedy the defect(s), the Purchaser proceed after 07 days, if any adequate action is not taken by Supplier to take such remedial action as necessary at the Supplier's risk and expense and without prejudice to any other rights which the Purchaser have against the Supplier.
- 10.5 Corresponding amount for cost of repairs will liable for deduction before/after repairs from the Performance Bond or any other payments due to Supplier after Purchaser's notification of the discovered defects, if the Contractor does not remedy the same to the satisfaction of Purchaser or Surveyor of Classification Society as the case may be.

- 10.6 The Contract shall not be considered as completed until the Completion Certificate of Due Performance shall have been issued by PQA after the expiry of the Warranty Periods of Newly Constructed THREE (03) SURVEILLANCE BOATS (RHIB). The issue of this Certificate by PQA shall be a binding condition precedent to the release of the Performance Bond.
- 10.7 The supplier should provide a complete set of spares for each Surveillance Boat as per OEM for which are used for the routine major/minor maintenance/overhaul on main/auxiliary equipment with tech bids.
- 10.8 The Supplier shall guarantee (through manufacturer) that any spare / replacement parts for Main machinery and associated equipment, deck related equipment and machineries will be available for Supply up to about 15 years with Technical Bid.

11. Termination for Default

The Purchaser may, without prejudice to any other remedy for breach of contract, by written notice of default sent to the Supplier, terminate the Contract in whole or in part:

- (a) If the Supplier fails to deliver Surveillance boats (RHIB) by the Date of Delivery specified in the Contract or any extension thereof granted by the Purchaser.
- (b) If the Supplier fails to perform any other obligation(s) under the Contract.

In the event the Purchaser terminates the Contract in whole or in part the Purchaser at the risk and cost of Supplier may procure, such terms and in such manner, as it deems appropriate, Goods and services similar to those undelivered, and the Supplier shall be liable to compensate the Purchaser for any excess costs for such similar Goods. However, the Supplier shall continue performance of the Contract to the extent not terminated.

If the Supplier shall assign the Contract without the written consent of Purchaser first obtained or if the Supplier is at default in performance / execution of the Contract, then Purchaser after giving 30 days' notice of Default in writing to the Supplier, may cancel the Contract without further notice or formality and without previous judicial interposition. Purchaser can then redeem the Performance Bond. In case of such cancellation of the Contract the Supplier's Performance Bond will be forfeited to the Purchaser. The full amount of payments made by the Purchaser shall be refunded by the Supplier to the Purchaser within thirty (30) days after cancellation and the property of Three (03) Surveillance boats (RHIBs) or accessories and parts thereof shall return to the Supplier after repayment. The refund of the full payments made by the Purchaser to the Supplier shall be a mandatory pre-condition to the physical return of Surveillance boats (RHIB) (All weather sea going class) in the event of termination due to default of part or whole of the Contract.

The Notice of Default of the Contract mentioned above will become invalid if the Supplier within 14days after receipt of the notice of forfeiture eliminates the causes which have invoked the forfeiture.

12. Termination for Insolvency

If the Supplier shall become bankrupt or becomes unable to perform the Contract or has a receivership order made against him or shall present his petition for bankruptcy, or shall make an arrangement with or assignment in favour of his creditors, or shall agree to carry out the Contract under a committee of inspection of his creditors, or (being a corporation) shall go into liquidation (other than a voluntary liquidation for the purpose of amalgamation or reconstruction), or shall have an execution levied on his goods, then PQA may, after giving 14 days notice in writing to the Supplier cancel the Contract without further notice or formality and without previous judicial interposition.

13. Force Majeure

- 13.1 If during the currency of the Contract there shall be an outbreak of war (whether war is declared or not) or of civil war, rebellion, revolution, insurrection or usurped power in the Supplier's country (hereinafter referred to as "the said outbreak" and if Surveillance boats (RHIB) have not been partly fully delivered, Purchaser shall be entitled to terminate the Contract (as to save the rights of the parties under contract). If the Contract shall be terminated as aforesaid, the Supplier shall refund to Purchaser within thirty (30) days after termination of the Contract all monies and installments paid by Purchaser until that date to the extent of the undelivered THREE (03) SURVEILLANCE BOATS (RHIB).
- 13.2 The Supplier shall not be liable for forfeiture of its performance security, liquidated damages or termination for default, if and to the extent that, its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.
- 13.3 For purposes of this clause, "Force Majeure" means an event beyond the control of the Supplier and not involving the Supplier's fault or negligence and not foreseeable. Such events may include, but are not restricted to, acts of the Purchaser either in its sovereign or contractual capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.
- 13.4 If a Force Majeure situation arises, the Supplier shall promptly notify within seven (7) days to the Purchaser in writing of such condition and the cause thereof, otherwise a Force Majeure claim by the Supplier will not be acceptable to the Purchaser. Unless otherwise directed by the Purchaser in writing, the Supplier shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event. The Force Majeure event shall be equally applicable to either party in respect of their obligations under the contract.

14. Governing Language

The Contract shall be written in English language. All correspondence and other documents pertaining to the Contract that are exchanged by the parties shall be written and accepted only in English language.

15. Applicable Law

The Contract shall be interpreted in accordance only with the prevailing laws of Pakistan.

16. Legal Basis, Arbitration – Settlement of Disputes

- 16.1 This agreement will be subject to laws of Pakistan and Pakistani courts shall have exclusive jurisdiction to hear and determine all actions and proceedings arising out of the Contract and the Contractor hereby submits to the jurisdiction of Pakistani courts for the purpose of any such actions and proceedings. However, the settlement of any disputes between parties in the manner laid down below in sub clauses 16.2 & 16.3 will be a condition precedent to initiating any proceeding in court.
- 16.2 In case of any disputes, in connection with or arising out of the Contract, the matter shall be referred to the Engineer who shall settle it and give his decision within 15 days after having been requested to do so in writing. The decision of the Engineer in respect of every matter as referred shall be final and binding until completion of works and shall forthwith be given effect by the Contractor who shall proceed with the works with all due diligence, whether he requires arbitration as hereinafter provided or not. If the Engineer has given written notice of his decision to the Contractor and no claim to arbitration has been communicated to him by the Contractor within period of 15 days from receipt of such notice the said decision shall remain final and binding upon the Contractor. If the Engineer shall fail to give notice of his decision after being requested as aforesaid within a period of 15 days after being requested as aforesaid /or if the Contractor should be dissatisfied with any such decision then the Contractor may within 15 days after receiving notice of such decision, or within 15 days after the expiration of the first named period of 15 days as the case may be, require that the matter is dispute be referred to arbitration as hereinafter provided.
- 16.3 This arbitration will be carried out according to the Arbitration Act 1940 or any statutory modification or re-enactment thereof for the time being in force. It will be held in Karachi. The disputes / differences will thereby be submitted to two arbitrators, of whom one will be nominated by PQA and the other by the Contractor, who before entering upon their reference shall appoint an umpire by mutual agreement and if they do not agree a judge of superior court shall appoint the umpire. The arbitration award should be final and binding on both the parties.

17. Standard

Standard of Surveillance Boats (RHIB) should be as per International Classification Society. Decisions of the Classification Society shall be final and binding on both contracting parties. In case of any modification / deriation, decisions of the Classification Society shall be final and binding on both contracting parties..

18. Inspections and Tests

- a The Inspection and tests shall be conducted by PQA team at the premises of the Supplier and at the Good's final destination, Port Qasim Karachi. All reasonable facilities and assistance including access to drawings, documents and Operations Manuals, data and facilities shall be furnished to the PQA team at no charge to the Purchaser.

Trial sheets on conduct of trials are to be shared with PQA. Moreover as per IACS standards, draft documents are to be supplied by the supplier within 02 months of conclusion of contract for formal handing over.

- b For Imported Boats. The Supplier is responsible to make all arrangement of travel, boarding, lodging of PQA's inspection Team / Surveyor for the tests and trials of offered Three (03) GRP Surveillance Boats (RHIB) comprising of up to 03-04 members who may stay for a period of 07 working days. The PQA's Technical Team / Surveyor during the inspection, test and trails will carry out the inspection of documents, obtain commitments for compliance and demonstration of following which needs to be confirmed by the bidder:-
Examination of all documents, as built drawings, class certificates, owner / builder certificate, registration, final reports of all inspection and tests carried out after completion of construction and including reports of test and materials, insurance of vessels or any other documents as the team may consider necessary. GRP Surveillance Boats (RHIB) should be capable to be stable boats.
- c All costs incurred in carrying out the inspections, tests and trials including repeated inspections, test and trials as and when required shall be for the account of supplier / contractor. After successful inspection tests and trials and the premises of the supplier and prior to shipment (Dry tow) on departure by sea of GRP Surveillance Boats (RHIB) from the Port.
- d The Harbour Acceptance test and sea trials shall be conducted for all machinery equipment installed on board Craft including:-
- Main Engines, Deck equipments and related machineries.
 - Endurance (total 10 hrs. at full load including Safety System and Alarms speed)
 - Speed test.
 - Maneuverability test for quick response.
 - Anchor Test.
 - Noise level test.
 - Provision of Life saving and firefighting appliances.
 - All round visibility and clear view screen.
 - Navigational equipment test in day and night.
 - Any other test as specified by Technical Team or repeat test requested by PQA team.
- e. The Supplier shall provide all drawings, builder class, and other certificates, No lien / mortgage stability, fuel tank, documents, services, provisions etc., as determined by PQA Team that are necessary for the required inspection, tests and trials.
- f. Tests and trials shall be carried out to the Supplier's program and shall be performed in the presence of Technical Team of PQA and shall be at the expense and risk of the Supplier including any repeated actions, if required. Any previous tests and trial reports to be checked. The results of Tests, Trials shall be recorded on Trial sheets as per standard marine practice.

- g. SECTION - V

TECHNICAL SPECIFICATIONS

A) TECHNICAL SPECIFICATIONS OF THE OFFERED THREE (03) GRP SURVEILLANCE BOATS (RHIB), (ALL WEATHER SEA GOING CLASS)

The Bidder has to provide positive response and required information pertaining to following essential parameters, about his offered Surveillance boats (RHIB) in the Technical Proposal, with relevant documentary evidence (as and where applicable).

1. Name / Type of Boat
2. Built Year / Under Construction
3. New Construction Offered
4. Estimated period of completion for tests / trials
5. Estimated period of delivery of Three (03) Surveillance boats (RHIB) at Port Qasim, Karachi
6. International Association of Classification Societies (IACS)
7. Length Overall
8. Breadth
9. Hull Construction
10. Boat Sea Speed
11. Total Crew
12. Nature / Type of Sea (all weather) Class of Surveillance boats (RHIB)
(as issued by Classification society)
13. Smooth Operations in Sea State /
(Documentary Evidence Required)
14. Main Engines Make, Model, Types and Power, Fuel Cons
15. Life Saving equipment (As per SOLAS)
16. Radio & Nav. Equipment (As per SOLAS) including A.I.S
17. Electrical Battery Supply system
18. Total Fuel capacity onboard
19. Endurance period
20. Average Fuel consumption per hour at rated speed
21. Tests Trials Reports
22. Any other information

B) BROAD PARAMETERS AND TECHNICAL SPECIFICATIONS OF GRP SURVEILLANCE BOATS (RHIB), (ALL WEATHER SEAGOING CLASS)

GRP Surveillance boats (RHIB) needs to be multipurpose and suitable for following duties:

- a. GRP Surveillance boats (RHIB) need to be proven design and shall carryout Surveillance Operations not less than 49 KM long PQA channel. The Surveillance boats (RHIB) shall be built to operate PQA Harbour and Channel. Plans/drawings and standards approved by International Association of Classification Societies (IACS).
- b. Scope of operations of the Surveillance boats (RHIB) dictates the same to be a powerful operational craft, to be safely operational under all wind and weather conditions of Arabian Sea.
- c. Surveillance boats (RHIB) needs to be of a proven design, with minor changes to habitability related requirements only. The Surveillance boats (RHIB) shall be built to all-weather Seagoing design, plans and standards approved by International Association of Classification Societies (IACS) for heavy duty and long surveillance operational services.
- d. It needs to have suitable arrangement with sufficient space beside the superstructure for the operators to carryout surveillance operations.

C) OUTLINE SPECIFICATION FOR GRP SURVEILLANCE BOAT (RHIB)

1. PRINCIPAL DIMENSIONS

Length overall	Not less than 11.00 m – Not more than 15.0 m
Beam overall	Not less than 3.5 m - Not more than 4.0 m
Chamber Dia	Not less than 0.55 m – Not more than 0.8 m
Draught	Not less than 0.65 m – Not more than 0.75 m
Displacement (Fully Loaded)	Not less than 7.0 Tones Not more than 7.5 m
Payload	Team of 10 + 2 personnel
Speed	40 Knots in calm weather
Endurance	10 Hours
Hull Construction	Marine Grade Imported GRP Material, ISO Certified Workshop Facility
Tube Inflatable	Inflatable tube (foam coated with Polyurethane / Polyethylene)
Sea worthiness	Sea state upto 3
Seating Capacity	06 – 08 Seats (Shock Absorbent)
Engine	OBM, 02 x 300 HP Four Stroke (European / Japan / USA Origin)
Role	Surveillance & Patrolling Operations Inland Waters and at Open Sea
Design Classification	Approved by International Association of Classification Societies (IACS)

2. GENERAL ARRANGEMENT PROFILE

All relevant Certificates, Drawings and Plans pertaining to manufacturing of Surveillance Boats, Structures, Machinery, Electrical, Outfitting etc. will be provided with each Surveillance Boat (and where possible, copies provided with the Bid). However, as far as possible, maximum information including large size General Arrangement Plan to be submitted with the offered Bid (Technical proposal) for Purchaser's confidence about offered Craft. The required information includes but is not limited to following:

- Builder's Certificate affixed with builders seal
- General Arrangement Plan
- Hull construction and Shell Expansion plans
- Classification Society Certificates
- Machinery, Steel / GRP, materials and equipments.
- Anchor and cables Certificate
- Fuel systems and Tanks
- Steering system
- Bilge system
- Electrical circuits and wiring diagrams
- Electronic circuits and diagrams
- Slings / lifting plan
- Vessel sea trials reports
- Vessels operational instructions
- Written and signed warranty from the ship builder
- An inventory of the spares and stores affixed with builders seal
- All other documents required for registry of the vessel with the Mercantile Marine Department of Government of Pakistan
- All relevant Drawings, Manuals, catalogues and part lists for machinery and equipments as specified in Tender Documents
- Certificate of consumable stores onboard the vessel at the time of handing over the vessel

3. HULL AND DECK CONSTRUCTION

The hull is moulded in GRP latest technology being used (preferably Vacuum Infusion Process / equivalent) in manufacturing of Surveillance boats. The hull is stiffened by a system of transverse frames, longitudinal stringers and engine girders. All frames, stringers etc., are formed over a foam core and laminated to form an integral part of the hull. The engine girders are formed over a foam core profiled to suit the arrangement of engine feet and shaft line. A mild steel tapping plate is moulded into the top of the engine girders to take the engine mountings.

The hull is fully limbered with waterways of appropriate bore plastic pipe bonded through girders, frames etc. side stringers have a flushed off section prevent water traps.

The lay-up of the hull, which is in accordance with IACS, has extra laminations in way of fenders and on the stem and transom comers.

The deck is a one piece GRP constructed of chopped strand mat with a foam / plywood to give stiffening to large horizontal panels.

Wooden chocks are inserted into this core in way of deck fittings etc. the deck moulding incorporates a raised toe rail section and a chock at the stem head to take fair heads etc. the deck is fitted to the hull and securely bonded with GRP internally.

Side frames continue to the deck where they form hanging knees to give additional stiffness.

4. CANOPY

A Canopy shall be provided over the wheel house and aft seating areas. Viewing screen should be of Tempered glass.

5. DECK FITTINGS

The following fittings are to be fitted to the main deck:

- One stemhead fitting
- Two enclosed pattern fairleads forward
- Two enclosed pattern fairleads on the aft quarters
- Two bollards on the forward deck & Aft deck each
- One bollard port and starboard amidships

All deck fittings are through bolted with substantial fastenings with metal backing plates on the inside.

6. ENGINE

- OBM 2x300HP mounted on GRP beds.
- Ships batteries in boxes to be fitted at suitable and accessible place.

7. HULL FENDERING

Foam filled Inflatable tube fitted around the vessel

8. FUEL SYSTEM

Sufficient for atleast 10 hours continuous running of the Boat. Drain valves to be provided for water separation. The tanks should be fitted with digital level indicator in the wheel house area and sight glass to be provided at the tank location.

The deck filler is connected to the fuel tank by flexible fuel hose. The engine fuel feed and return pipes are mainly fuel resistant rubber hose.

9. STEERING SYSTEM

Hydraulic type steering system is required.

10. BILGE SYSTEM

A hand driven bilge pump at the aft bottom to be provided for removing bilge water.

11. ELECTRICAL EQUIPMENTS

- a. Main and Emergency batteries (gel type with 05 years warranty) to be provided as per requirement of the boat.
- b. DC 12 V – 6 points
- c. One masthead steaming light
- d. One stern light
- e. Port and Starboard bow lights
- f. Two straight line windscreen wipers
- g. Automatic battery driven screen wash pump
- h. Loud hailer
- i. Portable battery charger to be provided with each boat
- j. The battery boxes are lined with GRP and ventilated to the atmosphere. Cables are to be marine type and impervious to oil and water.
- k. Cable runs are to pass through watertight glands in main bulkheads and connections are to be in watertight connection boxes.

12. SEATING ARRANGEMENTS

In order to support operations the boat should be fitted with atleast following seating arrangements:

- Helmsman 01
- Crew seats 06 - 08

13. OUTFITS AND SUPPLIES (EACH BOAT)

The boat should be fitted with outfit and supplies:

- Anchor Appropriate type of anchor
- Anchor rope Rope 25mm dia 50 m long (subject to Class approval)
- Mooring rope Rope 16 mm dia 20m long
- Mast head light DC12V 10W

- Anchor light DC12V 10W
- Life jackets 10 (Boat names to be stenciled)
- Life buoys 02 (Boat names to be stenciled)
- Fire extinguisher 01 No. CO2
- Boat hook 02 Nos.
- SOLAS approved first aid kit. 01 No
- Basic set tools 01 No.
- Re-chargeable Hand Held Search Light with charger 01 No.
- Torch light 02 Nos.
- Binocular 01 No.

14. NAVIGATIONAL EQUIPMENT

The boat shall be fitted with following navigational equipment:

- Navigational lights as per marine standards
- Magnetic Compass
- GPS Chart Plotter with AIS.
- 02 Nos. VHF of reputed brand.
- 01 set Hand Held VHF with charger and extra battery.
- Whistle / Horn
- Search Light.

15. GUN MOUNTING

The boat shall be fitted with Gun mounting for MG (Machine gun 7.62 mm) to be fitted on forward deck area

16. CLASSIFICATION SOCIETY (IACS) APPROVED

International Association of Classification Societies (IACS).

17. HOISTING ARRANGEMENT

Proper hoisting arrangements with lifting belts / wire slings to be provided as per boat requirement for each boat.

18. SUBMERSIBLE PUMP

To be provided with each boat.

19. CRADLE WITH TROLLEY (EACH BOAT)

Cradle with trolley to be provided as per boat design and specifications.

SECTION – VI

EVALUATION CRITERIA

TECHNCIAL EVALUATION CRITERIA

The Offered Bid and Tendering Firm will be technically evaluated / qualified on the basis of positive response to requirements of Tender documents as under.

Mandatory Requirements:

1. Purchase of Tender documents and to submit the Tender within due date.
2. To submit relevant information and specifications about Three (03) GRP Surveillance Boats (RHIB) as per requirement of Tender Documents. Broad parameters / Criteria for technical specifications and as per ITB-1.
3. Last three (03) years audited Financial Statements.
4. For qualifying technically minimum marks are required to be obtained in each Category, Sub-Category and overall of minimum 65 marks.
5. Firms/Local Rep. should be registered with Income Tax Department / SRB/FBR) on Active Tax List (ATL).
6. The successful International Bidder should get registered with FBR and SRB after award of the contract.
7. The Joint Venture / Consortium members will be evaluated as per criteria described in ITB-1 and for qualifying individually or jointly for overall minimum 65 marks also minimum marks to be obtained in each category.

S.No	Description	Min Marks	Max. Marks
1.	<p>Status of firm</p> <p>Public limited /Multinational 10 Points Private Limited 08 Points Private Owner 06 Points</p>	06	10

		15	20
	Total Points / Marks	65	100

NOTE:

1. In case of authorized Supplier(s)/Distributor(s) the Original GRP Surveillance Boats (RHIB)Manufacturer (s) considered for judging under the Technical Evaluation Criteria. The authorized Supplier(s)/Distributor(s) shall have to submit the written authorization from Original Surveillance Boat Manufacturer(s) and indicate whether the contract will be entered into with the authorized Supplier(s)/Distributor(s) and/or Original Surveillance Boat Manufacturer(s).

Origin of Machinery/Equipment:

Confirmation/ documentary evidence is required, that Machinery/Equipment made in China under License from reputable OEM is acceptable.

2. Self-assessment proforma (duly filled) as per above mentioned Technical Evaluation Criteria and Technical Specifications (Section V) to be provided along with Technical Bid.

SECTION – VII
BILL OF QUANTITIES

BILL OF QUANTITIES

**SUPPLY / CONSTRUCTION OF THREE (03) GRP SURVEILLANCE BOATS (RHIB),
(ALL WEATHER SEA GOING CLASS)**

Item	Description	Amount in PAK Rs.
1.	To meet the requirements of Tender documents. Supply of THREE (03) SURVEILLANCE BOATS (RHIB) all-weather Seagoing Class International Association of Classification Societies (IACS), operationable in comfortable environment, all finished, complete, with all provisions, accessories, requirements with all associated deck and engine equipment, essential tools + special tools, consumable spares + critical spares, drawings as per OEM specifications and recommendation, requirements of Tender Documents, Schedule as agreed – CIF Cost.	Included in CIF Cost
2.	Transportation - Amount of Freight for dry tow / carrier vessel of all the contracted goods for shipment to Karachi Port Qasim under one package.	Included in CIF Cost
3.	Inspection visit for preliminary tests and sea trials at Bidder site by PQA technical team / Surveyor.	
4.	Estimated period of delivery of Boats at Port Qasim, Karachi	
5.	Confirmatory tests and sea trials of Each Surveillance Boat at Port Qasim, Karachi - Mandatory	
6.	Manufacturer's recommended two year consumable spares + Critical Spares as per OEM recommendation, set of standard tools + special tools for each Surveillance Boat's main engines and all other onboard machineries / equipments, as per Tender.	
7.	Incidental services and defect remedy during two year warranty/guarantee period at Port Qasim, Karachi as per Clause 10.3 & 10.4 of Particular condition of contract	

8.	Total Cost Amount in Pak Rupees Name and official address of Tenderer:	Designation and Signature of the Tenderer with stamp of the firm and date

Furthermore, we understand that, according to the conditions of the Contract, an advance payment in the sum [amount in figures] (_____) (amount in words) is to be made against an advance payment guarantee.

As the request of the Contractor, we [name of Bank] hereby irrevocably undertake to pay you any sum or sums not exceeding in total an amount of [amount in figures] (_____) [amount in words] upon receipt by us of your first demand in writing accompanied by a written statement stating that the Contractor is the breach of its obligation under the Contract because the Contractor used the advance payment for purposes other than toward the execution of the Works.

It is a condition for any claim and payment under this guarantee to be made that the advance payment referred to above must have been received by the Contractor on his account number _____ at [name and address of Bank].

The maximum amount of this guarantee shall be progressively reduced in proportion to the value of each part-shipment or part-delivery of plant and equipment to the site, as indicated in copies of the relevant shipping and delivery documents that shall be presented to us. This guarantee shall expire, at the latest, upon our receipt of documentation indicating full repayment by the Contractor of the amount of the advance payment, or on the _____ day of _____, 2020, whichever is earlier,. Consequently, any demand for payment under this guarantee must be received by us at this office on or before that date.
