## TENDERS ARE INVITED FOR DOWNLINK & TURNAROUND FOR PTV GLOBAL IN UK AND USA

### Technical terms & Conditions

Pakistan Television Corporation (PTVC), the state broadcaster is inviting local and International Tenders from experienced parties or satellite operators in the broadcasting sector. The objective is to make PTV Global available in UK and USA via satellite. PTV Global will be considered as free to Air channel in UK whereas it would be a subscription based model in USA, in relevant Television packages where already Pakistani TV channels are being available. The selected party will have the option to choose between using the satellite PAK-Sat 1R for receiving PTV Global or opting for IP-Based equipment for this purpose.

### The responsibilities of the selected parties include:

Ensuring the signal availability on these platforms and maintaining a data transmission rate of 2.5 Mbps on the relevant satellite.

Fulfilling other requirements such as acceptable ratings, ensuring electronic program guide (EPG) listings, covering regulatory fee, and paying platform- related charges where applicable.

Applying suitable encryption for the broadcast in the US, as the US model is subscription based.
