

PAKISTAN CIVIL AVIATION AUTHORITY (CAA)
EXPRESSION OF INTEREST

**EXPRESSION OF INTEREST (EOI)
PROVIDING AUTOMATED BORDER CONTROL E-GATE SYSTEMS
AT MAJOR AIRPORTS OF PAKISTAN**

Pakistan Civil Aviation Authority (PCAA) seeks applications from highly experienced and professional, Automated Border Control solution providers for providing E-Gate systems at CAA airports.

The project has been conceived as a self-service immigration system for installation at airports to cut costs and improve on passenger satisfaction. The system shall be placed at the arrival and departure gates of the airports, which validates the identity of passengers using top-trending technologies. In the context of increasing numbers of passengers and with the recent expansion of airports, it is intended to modernize its border control solution in order to enable a seamless Immigration process of travelers at Pakistani airports while improving security processing. This initiative aims to alleviate the workload on manned immigration counters and establish a standardized automated immigration process that includes document verification and personal authentication for maintaining the security and integrity of the borders. The scope of services includes providing, installation, integration, testing and commission of e-Gate systems followed by operation & maintenance.

Interested parties should fulfill the criteria provided on the CAA website (<https://www.caapakistan.com.pk>) or Pakistan Public Procurement Regulatory Authority website (<https://www.ppra.org.pk>) by downloading it free of cost and submitting it on the address given below.

The proposals may be submitted with complete documentation as per the criteria provided in hard copy at or before 3 PM (PST) Tuesday, 13th August, 2024 at the under mentioned address. The international parties can submit EOI electronically on director.engsr@caapakistan.com.pk.

RFP (Request for Proposal) will be issued to pre-qualified parties and contract shall be awarded on quality and cost basis method.

PCAA reserves the right to reject all Bids or Proposals at any stage without assigning any reason as per Public Procurement Rule 2004.
