INVITATION FOR PREQUALIFICATION OF DREDGING CONTRACTORS FOR DREDGING OF PORT QASIM NAVIGATION CHANNELS

CORRIGENDUM No-2

Reference PQA advertisement published in daily Dawn and Jang Pakistan on 29th June 2024 and in Khaleej Times on 9th July 2024 as well as uploaded on PQA and PPRA Website. A Corrigendum was also published on 24th July 2024 in Daily Jang & Dawn and on 25th July 2024 in Khaleej Times.

2. In the table shown in section 3.2.4 'equipment capabilities', at Sr. 1, 'one Trailing Suction Hopper Dredger (TSHD) of minimum 18,000 cu.m / hopper capacity' may be read as 'one Trailing Suction Hopper Dredger (TSHD) of minimum 11,000 cu.m / hopper capacity'.

3. The following is to be added in 'Scope of Works' in the pre-qualification documents:

- PQA may exercise option to acquire a Trailing Suction Hopper Dredger (TSHD) of 11,000 cu.m to 13,000 cu.m hopper capacity of maximum 10 years age, on three (03) years lease-purchase basis, after completion of dredging project from the successful bidder. TSHD should be suitable for PQA Navigational Channel and turning basin dredging to perform minimum 8,000 +/-10% guaranteed maintenance dredging per annum.

4. In case of PQA exercising option to acquire TSHD, the documents alongwith qualification criteria for supply of one TSHD will be included in tender documents, post pre-qualification process.

5. The date of submission of pre-qualification documents is extended from 13th August 2024 to 20th August 2024.

6. Other terms and conditions remain unchanged.
