

**OPENING ON 17-09-2024**

ARF/1169/T/PC-002/LOG/2024-25 DATED 02-09-2024

Organization Name	Pakistan Aeronautical Complex
Address	AIRCRAFT REBUILD FACTORY PAC
City	Kamra
Tel No.	051-90992442

Terms & Conditions

1. Quotations will be opened on **17 September, 2024 at 10:30 Hrs** by the committee in the presence of the interested bidders, or their authorized representatives.
2. **Quotation must be typed, hand written, Photocopies, E-mail & Conditional quotation will not be accepted.**
3. Separate sealed technical quotes and Commercial quotes both must be deposited in 2 separate envelopes. Rates should be quoted both in words and figures clearly at commercial quotes with unit price.
4. All quotations (**Category wise**) must be put in separate sealed envelope. There should be no mixing of rates and quotations (Technical quotations with Commercial quotations). More than one quotation in one envelope will be rejected.
5. Technical offers should be without prices and contain all relevant essential specification along with literatures / brochures. Tender number, date of opening and word (Technical offer) should be clearly marked on the face of envelopes. Commercial offers should indicate prices of quoted items and confirmation to the terms and condition of our tender inquiry. Tender No. and words "Commercial offer" be marked on the face of envelope.
6. Income tax, sales tax and professional tax certificates duly attested by the concerned authority must be attached with quotations.
7. **All the rates must be valid till 30 June, 2025 otherwise quotation will not be entertained.** Only one offer can be made in relevant currency for same item. Multiple rates, if quoted, will be rejected. Taxes will be imposed as per GOVT: policy and directive issued from time to time.
8. All items/chemicals should be provided with COC (Certificate of Conformance), MSDS (Material Safety Data Sheet) and TDS (Technical Data Sheet) and within expiry life of minimum 02 Years.
9. The bidder must have a branch office with valid Telephone and fax facility.
10. Sample must be presented before technical opening.
11. Tender detail is available in the office of O i/c Local Purchase and can be collected during working days from 0900-1200 hours.
12. The bidder must be the manufacturer of the products. The ordered stores will be accepted by concerned technical user and our quality department along with warranty
13. The quantities are estimated and may increase/decrease with respect to the requirements.
14. The procuring agency may reject all bids/proposals or bid/proposal pertaining to a specific supplier at any time prior to tender opening. The procuring agency upon request of Supplier / Vendor / Contractor will communicate the reason for rejection of quotations.
15. Payment on delivery will be made through cheque against sales tax invoice only.
16. Tenders are to be addressed to **Director Logistics, Aircraft Rebuild Factory PAC Kamra**. The quoted prices must be **without GST** and envelope must be marked with "**TENDER FOR PROCURMENT of "Category-01 to Category-09"**". Tenders received through fax shall not be accepted.
17. The Earnest money @ 5% (not exceeding 0.150 M) will be deposited by all firms irrespective of registration status in favour of Managing Director ARF in the form of CDR at the time of opening tenders in, separate envelope. Earnest money will remain deposited till the finalization of commercial quotes. It will be returned to unsuccessful bidders immediately after finalization of commercial quotes. Quotation without earnest money will be rejected.
18. Delivery period should not be more than two weeks.
19. **Firm should be on ATL of FBR and will provide proof with quotation. Order should be placed and subsequently payment would be released to the firm which is on ATL of FBR.**
20. All matters connected with this inquiry and subsequent actions arising thereafter fall within the scope of the Pakistan Official Secret Act 1923 which forbid providing contractual information to unauthorized / unconcerned person/organization. The firm is therefore, requested to ensure complete secrecy regarding documents and stores concerned with the inquiry to limit the number of employees having access to this information.

**21. DISQUALIFICATION: Offers are liable to be rejected if: -**  
 (a) There is deviation from any instruction described in this invitation to tender.  
 (b) Offers are found conditional or incomplete in any respect.  
 (c) Multiple rates are quoted against one item.  
 (d) Manufacturer relevant brochure is not attached (in case of equipment or major assemblies of equipment).  
 (e) Offer received later than appointed time and date.  
 (f) Tender specification if not confirming to the offer. In case of equipment/ major assemblies manufacturer's brochures shows specifications different from those given in tender.  
 (g) Offer subject to restriction of Export License.  
 (h) Over writing /erasing in prices.  
 (j) Validity of offer is not quoted as required in IT or made subject to confirmation letter.  
 (k) Earnest money not provided.

**22. TERMS AND CONDITIONS FOR TENDER INQUIRY**  
 (a) Items to be delivered at ARF on "FOR" Kamra basis.  
 (b) Store must be of latest production series (FN).  
 (c) Packing of the stores should be adequately done with absolute resistant material so as to avoid from any damage during transportation.  
 (d) Stores will be accepted in accordance with standard specification provided in the Published Tender at consignee premises subject to acceptance by user and quality inspector.

Co2 Cylinders: Qty-02x06/07 Kg each                  3. Body: Made of seamless drawn steel                  4. Testing Pressure: 230 Bar                  5. Bursting Pressure: 476 Bar                  6. Valves Assembly: Controlled wheel type release valves for Co2 Cylinders                  7. Carriage MK-II: From fabricated M.S Flat bar thickness 3/08" with metal covered                  8. Wheel Nylon 12": Qty-02 complete with C.I plate fitted both side with O2 seated                  9. High Pressure Hose: Six feet double wire braided bore 5/16" complete with both stainless steel fitting / coupling is to provide                  10. Manifold discharge: Complete manufactured from solid bar of stainless steel                  11. Tube Applicator: Complete manufactured from seamless stainless steel tube in 03 parts with breather hole                  12. Empty weight of Co2 Cylinders: As per OEM standard                  13. Co2 Gas weight: 06/07 Kg each                  14. Total Weight: Empty + Co2 Gas weight                  15. Hydrostatic: Both Co2 cylinders should be hydrostatically tested (Testing year engraved on cylinder body)                  16. Hydrostatic Test Certificate: Hydrostatic Test Certificate is also required                  17. Marking as per British standard: BS- 5423/87, manufacturing month/year, Testing/Bursting pressure, empty and total weight of cylinder should be engraved on cylinder body                  18. Colour: Red, 19. Material: As per BS-5045/7, 20. Discharged Horn: It is constructed of metal and fitted with tube applicator. "</p>	EA	A/R
